

# HARVEY COUNTY CAMP HAWK LENGTH AND CREEL LIMITS

**Largemouth Bass:**

\*Mouth extends back beyond the eye.

\*Part of a group known as the Black Bass, which includes the Spotted and Smallmouth Bass.

**Length Limit:**

21-inch minimum length limit.

**Creel:**

2 per day.

---

**Channel Cat:**

Deeply forked tail with two distinct lobes.

**Length Limit:**

15-inch minimum length limit.

**Creel:**

2 per day.

---

**CULLING:** Once a daily creel limit of any particular species have been possessed, any other fish of that species that is caught must be released immediately, unharmed, into the water. It may NOT replace another fish already in the creel.

**THE POSSESSION LIMIT ON ALL FISH IS THREE TIMES THE DAILY CREEL LIMIT.**
