

East Park

Thirteen hundred acre Harvey County East Park is located in Eastern Harvey County on the edge of the Flint Hills 6 miles east of Newton. The 314-acre tree lined lake offers anglers a variety of fishing options including channel cat, walleye, saugeye, white bass,

largemouth bass and crappie. Campers will find both electric hookups and primitive sites. Three restrooms are available throughout the park, two are bathhouses, one in each of the main camping areas. Boating opportunities on the lake

include water skiing, pleasure boating and fishing. Due to the size of the lake, there is a designated ski route for pleasure boating and personal watercraft that must be followed by all vessels regardless of size. In addition, there are two swimming beaches, sand volleyball courts, playgrounds, a softball diamond, climate controlled and open air shelters for rent, nature and horse trails and a bait shop with rental boats. There is no entry fee for the park; visitors are welcome to come and enjoy the hiking trails, fishing opportunities, beaches and picnic areas at no charge. State fishing

license requirements apply for fishing. Boating, horseback riding and camping are subject to fees. Daily or annual permits for these activities can be purchased at the bait shop or at one of the self-service booths. During the upland bird season, hunting for quail and pheasant is available by limited, special permit only. ADA compliant restrooms and hiking trails complement the disabled patrons visit.

West Park

Harvey County West Park is located 13 miles west and 4 miles north of Newton and is the original Harvey County Park. It was developed in the late 1930's in the sand hills of western

Harvey County on the Little Arkansas River. The 310-acre park is heavily wooded and offers a 16-acre fishing lake stocked with channel cat, largemouth bass, and crappie. The Little Arkansas River offers good flathead and channel cat fishing and is accessible to small boats and canoes. No gas motors are allowed on the lake. Campers will find a variety of campsites with electricity as well as a number of primitive sites both with access to restrooms and bathhouses. In addition, West Park offers a softball diamond, nature and horse trails, playground equipment, swimming beach, enclosed and open-air shelters for rent and a bait shop with rental boats. There is no entry fee

for the park; visitors are welcome to come and enjoy the fishing opportunities, hiking trails, beach and picnic areas at no charge. State license requirements apply for fishing. Boating, horseback riding and camping are subject to fees. Daily or annual permits for these activities can be purchased at the bait shop or the self-service booth. An ADA compliant restroom complements the disabled patrons visit.
