COUNTY PROFILE

History

Named for James M. Harvey (1833-1894), a former governor of Kansas and U.S. senator, Harvey County's history has included the intrigue of cowboys and saloons, lively railroad activity, and successful settlements of wheat farmers from Russian Mennonite communities. During the 1870s, the county seat, Newton, became known as 'the wickedest town in the West' due to the

violence in the area.

Established in March 1872, Harvey County began as a railroad center, with the City of Newton located on the Chisholm Trail. Cattle traveled

along the Chisholm Trail from Texas, and were loaded on railroad cars in Newton for shipment to eastern cities. The railroad continues to be an important industry in the county.

In 1874, Mennonite immigrants moved to the area and began importing and farming hard (Turkey Red) winter wheat seed. The wheat, which was successful in Russia, helped shape this region and contributed to making modern-day Kansas the 'bread basket of the world.'

Population

Based on the 2020 U.S. Census, Harvey County is the 17th-largest county by population in the state, with a total population of 34,024. The population density for the county is 62.9 people per square mile. The population is diverse, with 5.7 percent of the population under 5 years old, 24 percent under 18 years old, and 19.8 percent 65 years old or older. Of the total population, 50.7 percent identify as female, and 49.3 percent identify as male.

Demographics

According to the 2020 Census, 81.6 percent of Harvey County residents report they are White/Caucasian, 1.9 percent Black or African American, 1 percent American Indian/Alaska Native, 1.1 percent Asian, and 2.9 percent from two or more races. Hispanic or Latino of any race accounted for 12.6 percent of the population.

COUNTY PROFILE

Geography

Harvey County is located in south central Kansas along the Little Arkansas River. The county is approximately 10 miles north of the City of Wichita, and is within the northern portion of the Wichita Metropolitan Statistical Area (MSA). The county has a total area of 540.5 square miles, of which 539.3 square miles - 99.8 percent - is land, and 1.2 square miles - 0.2 percent - is water.

Harvey County contains seven cities: Burrton, Halstead, Hesston, Newton, North Newton, Sedgwick and Walton. Newton, Hesston and Halstead are the largest communities.

Harvey County's elevation averaged 1,450 feet above sea level. Elevation at the Newton City-County Airport, located two miles east of Newton, is 1,533 feet above sea level.

Transportation

Harvey County is an excellent location for both highway and railroad travel. Interstate I-135 runs north to south in the middle of the county, U.S. Highway 50 lies east to west through the county, and the Amtrak-mainline of the Burlington Northern-Santa Fe Railroad travels east to west through the county.

Harvey County is located at the crossroads of the continental United States. U.S. Highway 81, which stretches from Winnipeg, Canada to Mexico City, Mexico, passes through Harvey County as Main Street in Newton. U.S. 50 runs past the White House in Washington, D.C.,

through Harvey County, and continues on to Sacramento, Calif.

Within three miles of the intersection of the U.S. 50 and I-135 highways in Newton are the Newton City/County Airport and Industrial Airpark. The airport is owned jointly by Harvey County and the City of Newton, with day-to-day management overseen by the City. The airport has a reconstructed 7,000-foot runway that accommodates commercial jets, and a 3,500-foot crosswind runway that can handle private and corporate aircraft. Thanks to a variety of federal grant programs, the Newton City/County Airport is undergoing a variety of surfacing upgrades to the taxiways and runway, the most recent of which was a \$7 million improvement to rehabilitate the main taxiway. Regularly scheduled air service is available at Mid-Continent Airport, located in Wichita, but the Newton City/County Airport is a full-service fixed-base operator.

Education

Harvey County contains five public school districts and six private schools of various faiths.

Harvey County school districts continue to make academic strides behind strong community support. Three districts have recently passed bond issues to improve and build upon facilities to encourage welcoming, comfortable learning environments for students. Sedgwick USD 439 passed a \$13.8 million bond for a new library, classrooms, track and gym improvements. Hesston USD 460 voters approved a \$33.4 million project for a two-story educational facility for middle and high schoolers. Newton USD 373 committed \$8.4 million for renovations to Santa Fe 5/6 Center.

The total school enrollment in Harvey County was 5,394 students for the 2023 school year, with a minority enrollment total of 30 percent, according to the most recent public school review. The average student-to-teacher ratio is 13:1.

Based on the 2020 Census findings, 91 percent of Harvey County residents reported having at least a high school diploma. This is above the U.S. average of 88.5 percent. In addition, county residents holding a Bachelor's degree or higher accounted for 32 percent of the total population. This was in line with the U.S. average of 32.9 percent.

COUNTY PROFILE

Residents have access to a number of higher education institutions, including Bethel College, Hesston College, Hutchinson Community College and Wichita State University. Of those, Bethel College, located in North Newton, was established as a four-year liberal arts college. Founded in 1887, it is the oldest Mennonite College in North America. The next-oldest college in Harvey County is Hesston College. It is a two-year liberal arts college located in Hesston. It was founded in 1909.

Public Safety

Harvey County places a high priority on public safety. Since there are seven cities in the county, teamwork is essential to ensuring the safety of the public. Numerous police, fire and EMS agencies exist throughout the county, in addition to Harvey County budgeted departments such as the county attorney, district court, communications, emergency management and sheriff's office.

The Harvey County sheriff is elected by the citizens of Harvey County for a four-year term. The Harvey County Sheriff's Office is a modern, full-service law enforcement

agency with divisions in patrol, administration, civil process, investigations and other support services. In addition to these divisions, the sheriff oversees offender registration and Harvey County Detention Center operations. The Detention Center can hold up to 136 inmates, and has a daily average population of just over 100 inmates.

Since Harvey County's formation, 31 people have held the position of sheriff. The Sheriff's Office consists of the sheriff, undersheriff, captain, five investigators, four road sergeants, nine road deputies, one courthouse security deputy, one transport/warrant deputy, one detention captain, one detention lieutenant, four detention sergeants, four detention corporals, 13 detention deputies and two support staff.

Communications is the primary answering point for 911 calls in Harvey County, and provides dispatch services for the sheriff's office, fire/EMS, and police departments in Harvey County.

Emergency Management also serves the citizens and local governments within Harvey County by assisting in the mitigation process during times of emergencies and

disasters.

The Harvey County Attorney's Office exists to enforce the criminal laws of the State of Kansas and prosecute those who commit crimes within Harvey County. In 2021, the attorney's office filed 2,075 cases.

According to the Kansas Bureau of Investigation, the Harvey County crime index - which indicates the number of crimes per 1,000 population - was 21.0 in 2022. This was lower than the State of Kansas average of 25.2 offenses. This lower total indicates the level of commitment of local public safety agencies to prevent crime and keep Harvey County a safe place to live, work and play.

Health Care

Home to a wide array of medical programs, Harvey County strives to provide first-class care for its residents. General and specialized health practices, a cutting-edge hospital, a mental health facility, and nursing homes all make health care accessible to residents and visitors.

NMC Health, with more than 100 beds and nearly 800 personnel, is located on the south side of Newton. In 2012, NMC celebrated 125 years of service to the community. It is estimated that over 10,000 people visit the medical facility from outside Newton each year. In 2016, NMC opened an urgent care clinic on the northern side of Newton, providing the residents of Harvey County availability of walk-in care during evenings, weekends and holidays at a lower cost than that of an emergency

room visit.

Prairie View, Inc., an inpatient/outpatient mental health facility, has over 250 employees that serve Harvey County, as well as a wide area of the state, with mental health services. Additionally, seven adult care/assisted living facilities in the county combine for more than 750 beds for adult care and senior care services.

Health Ministries, a non-profit organization, seeks to provide medical care for low-income and medically underserved individuals. In 2017, Health Ministries relocated to the NMC Health campus, where they are now serving a larger customer base throughout Harvey County.

The Harvey County Health Department seeks to empower, preserve and protect the health and well-being of individuals, organizations and communities in Harvey County by preventing disease and promoting health.

COUNTY PROFILE

Arts, Culture and Entertainment

A wide variety of recreational options are available in Harvey County and south central Kansas, including sporting events, movie theaters, parks, swimming pools, golf courses and tennis courts.

Cultural entertainment opportunities such as a community theater, symphony and museums are located in Harvey County. Events, speakers and guest performances are held on a regular basis at locations throughout Harvey County. The county is also home to the Hesston-Bethel Performing Arts Series, which presents five performances of world-renowned or regionally-acclaimed artists over several months.

Harvey County also boasts a community mural, created in 2010 on Main Street in Newton. It is the only painting of its kind in Kansas. The Imagineers was painted by county residents as a piece of art for everyone - not to be bought or sold. Since that time, several additional murals have been constructed throughout Newton to showcase the town's appreciation

of art, shared by everyone.

Just to the north of The Imagineers painting is the train station. Located in the heart of Newton, the station was built in 1929. It is modeled after William Shakespeare's house in Stratford-on-Avon. The train station serves as a daily stop for Amtrak, the national railroad passenger system.

Employment

The county's economy is primarily based on railroads, agricultural business, health care and manufacturing. The county seat, Newton, is the predominant trading area for agricultural products, including wheat, corn, other small grains, livestock and dairy products. Over 40 percent of small-packaged flour in the nation comes from wheat milled in Harvey County. This makes up just one piece of the nearly 750 employers that operate in Harvey County.

Cost of Living/Housing/Income

Even with its many amenities, Harvey County maintains a lower cost of living than most places of similar size. Based on the 2017 Wichita MSA, this area's overall cost-of-living index is 82.1 percent, which is below the national urban area average of 100. This makes this area of the country economical for those looking to establish permanent residence.

Housing is a particular bargain in the Harvey County

market. According to 2020 Census data, the median price for previously-owned single-family homes was \$141,000. There were 14,607 housing units and 13,396 households in Harvey County during this time. Of those, 11,467 were family households, which have an average family size of 2.46 per household. The median income for a household in Harvey County was \$58,782. The poverty rate for Harvey County was 9.3, which is slightly below the United States total of 11.6 percent.

Property Values/Taxpayers

In 2023, the assessed value of taxable tangible property increased to \$369,514,009. Of that total, residential property accounted for over half of the total appraised valuation in Harvey County. Commercial and industrial locations were the second largest, with agricultural property accounting for the third-highest category of the assessed value of taxable tangible property in Harvey County.

Economic Development

While many counties and communities throughout the country face poor economic conditions and outlooks, local governments within Harvey County and numerous economic development organizations continue to work together to recruit, retain and expand the local economy. Some recent economic development successes include:

Kansas Logistics Park

Located in Newton, the Kansas Logistics Park was designated a BNSF Certified Site in 2016. BNSF certification ensures a site is ready for rapid acquisition and development through a comprehensive evaluation of existing and projected infrastructure, environmental and geotechnical standards, utility evaluation and site availability. The KLP consists of two 42-acre parcels located on the southeast side of the city, part of a 400-acre industrial development off I-135 and U.S. 50 with access to the BNSF Railway via the Kansas and Oklahoma Railroad. The KLP was developed jointly by Harvey County and the City of Newton.

Park Aerospace Technologies Corporation

Park Aerospace recently expanded their facility to 90,000 square feet of manufacturing, laboratories and office space. Park focuses on the development and manufacturing of advanced composite materials for the aircraft and space vehicle industries. Since opening their facility in 2008, Park has invested over \$20 million into their operations at the Newton City/County Airport.

StanleyBlack&Decker

Stanley Black & Decker

In September 2021, Stanley Black & Decker announced the purchase of Excel Industries, bringing a powerful national presence to Hesston. Excel carried a sterling reputation for its production of consumer and professional mowing equipment, one that will continue to be built upon by Stanley Black & Decker. The agreement pushes Stanley Black & Decker further forward in its outdoor product inventories.

AGCO Industries

Based in Hesston, AGCO is considered to be a global leader in design, manufacture and distribution of agricultural machinery. This dedication to being a global leader is reinforced by the company's recent \$40 million-plus investment into a 200,000 square foot, state-of-the-art dip and powder coat paint facility.

Organizational Structure

Harvey County is a political subdivision of the State of Kansas. The County's organizational chart in its entirety can be found in this document.

County Services

Harvey County is proud to provide a wide array of services to its residents. The county government's values are courtesy, respect, well-being, integrity, understanding and humor. Those values help steer the County toward fulfilling its mission statement, "It is the mission of Harvey County to provide our citizens with beneficial, essential public services in a professional, courteous and fiscally responsible manner."

Some of these services are required to be provided based on state statute, while others are in place because they improve the quality of life for residents. Some examples of those services include: noxious weed eradication, culture and recreation, road and bridge maintenance, health and well-being, transportation,

and the control, management and mitigation of waste products.

Elected Officials

Harvey County utilizes a county administrator-county commissioner form of government.

The County is governed by a legislative body consisting of a three-member Board of County Commissioners (Commission), elected to four-year, staggered terms. The chairperson of the Commission is rotated to a different commissioner each year.

The Commission meets in regular weekly sessions. The Commission, which performs both executive and legislative functions, is responsible for all policy and executive decisions regarding county government, and is responsible for hiring the county administrator, who serves on behalf of the Commission and ensures the policies, decisions and daily operations of Harvey County are carried out.

The Harvey County Board of County Commissioners also serves on and appoints members to County boards.

Harvey County – 2024 Budget

Department

County Commission

Mission

To provide our citizens with beneficial, essential, public services in a professional, courteous and fiscally responsible manner.

Department/Program Information

The County Commission is the governing body of Harvey County and is responsible for setting policies for the entire organization and the appropriation of resources to accomplish adopted policies. The County Commission duties include determining the annual budget, setting overall long-range plans for Harvey County, hiring and terminating non-elected Departments Heads, and managing County property. Additional responsibilities are provided in Chapter 19, Article 2 of the Kansas Statutes.

Commissioners are elected from three single-member districts for staggered four-year terms. One Commissioner serves as the Chairperson for a one-year term and then the position rotates to the next Commissioner in line. Commission meetings, which are open to the public, are held weekly in the Commission Room of the Harvey County Courthouse.

2022-2026 Strategic Goals Created by County Commissioners

Community Engagement- Harvey County will seek to engage community stakeholders in order to promote civic engagement, innovative opportunities, and collaboration.

Community Marketing- Harvey County will promote the region as a quality place to live.

Internal Collaboration- Harvey County will identify new ways to improve collaboration and communication efforts within the organization.

Services- Harvey County will strive to provide outstanding public services while being good stewards of tax dollars.

Work Force- Harvey County will invest in a high quality workforce in order to ensure great service delivery.

Department's Alignment with County's Mission and Values

It is the mission of Harvey County to provide our citizens with beneficial, essential, public services in a professional, courteous and fiscally responsible manner.

Integrity – We are honest in our interactions with others and in business dealings.

Respect – We show respect for employees, customers, and others.

Understanding – We encourage and practice open and direct interaction.

Well-being – We encourage positive experiences through engagement and a sense of meaning, purpose and accomplishment.

Courtesy – We are fair towards others and in business decisions.

Humor – We recognize humor and use it as a healthy element in the workplace.

Harvey County – 2024 Budget

Department

County Attorney

Mission

The mission of the Harvey County Attorney’s Office is to protect the safety of the citizens of Harvey County by enforcing the laws of the State of Kansas through honest and zealous prosecution. The Harvey County Attorney’s Office prosecutes all felonies occurring in Harvey County as well as all misdemeanors occurring in rural Harvey County. These cases are vigorously prosecuted with a focus on offender accountability, public safety, victim services and offender reformation. Each member of the County Attorney’s Office has sworn to serve the interests of fairness and justice, and to treat members of the legal profession, law enforcement, and citizens of the community in a fair and unbiased manner. The office strives to assist our community with the needs of their children through the child in need of care and juvenile offender systems, and any other appropriate alternative programs. We further assist the mentally ill of the community through the care and treatment program.

Department/Program Information

The Harvey County Attorney’s Office prosecutes violations of the criminal laws of Kansas; institutes proceedings to protect abused and neglected children; prosecutes juvenile offenders; secures care and treatment in alcohol, drug, and mental commitment cases; appears before the appellate courts of Kansas regarding civil and criminal appeals; provides services to victims and witnesses to ensure their fair treatment in the criminal justice system; and, provides other statutory civil proceedings established by law.

2022 Accomplishments

During 2022, the Harvey County Attorney’s office went through a number of changes and transitions.

While facing the continued challenges of the COVID pandemic, the Harvey County Attorney’s Office maintained a heavy case load, experienced the court transition to the Odyssey Program and prepared for the 2023 office PBK case management system roll out. Additionally, focus was on updated training both within the office and with the partner agencies we work with daily. In 2022 the attorney team attended a variety of trainings in arson prosecution, drug court best practices, domestic violence and child abuse cases. In November, the attorney team presented two half-day trainings for law enforcement on topics ranging from legislative updates to office goals to best practices in domestic violence cases. Additionally, the office took on two new attorney staff and four new support staff.

The Harvey County Attorney’s Office continued to emphasize the need for a strong teamwork approach to the operation of the office. This included the need for partnering with and maintaining open lines of communication with the Harvey County Sheriff’s Office, police departments within the County, the Kansas Bureau of Investigation, the Kansas Highway Patrol, the offices of other County and District Attorneys, and the U.S. Attorney’s Office. Regular meetings are held with the Harvey

County Sheriff, Kansas Highway Patrol, and police chiefs throughout Harvey County. Additionally, multiple members of the attorney team are active in the domestic violence and juvenile group focus meetings hosted by the Newton Police Department.

Continuing this teamwork approach, the Harvey County Attorney's Office has also continued to hold regular meetings with Harvey County Court Services, Harvey County Community Corrections, Heart to Heart Child Advocacy Center, the Harvey County Domestic Violence/Sexual Assault Task Force, Offender/Victim Ministries, and Prairie View. This integrated approach helps to deliver consistent services to victims and assists the prosecutors in securing meaningful convictions.

A significant amount of time was spent in 2022 updating policy and procedures for the Harvey County Attorney's Office. This included a very large file purging process in which the attorney team reviewed over 4,000 files in storage. In addition to reviewing files of cases that had been previously charged the attorney team reviewed a significant back log of cases for charging consideration. This focus on organization and clean up has resulted in more space for our ever-changing, growing office.

2023 Goals/Objectives/Initiatives/Performance Measures

- VIGOROUS QUALITY PROSECUTION
 - The Harvey County Attorney's Office will continue efforts to ensure that all criminals are held accountable within the bounds of the law. It is the goal of the county attorney's office to focus on quality prosecution rather than quantity. We will continue to work to get drugs out of our community and hold violent offenders accountable.
- VICTIM FOCUSED PROSECUTION
 - The Harvey County Attorney's Office will continue efforts to ensure that all services offered by the office are victim focused. We will continue to support victims through the criminal justice process by providing up to date information regarding pending cases and connecting victims with community-based services to help them heal.
- PROTECT VULNERABLE VICTIMS
 - The Harvey County Attorney's Office will expand efforts to protect children, mentally ill, domestic violence victims and other vulnerable members of our community. There will be a continued review of our Child in Need of Care protocols and close work with the Department of Children and Families in order to assure that child abuse and neglect is being adequately and expeditiously addressed by all community partners. We will remain an active participant in DVRT and CCR and continue to follow best practices for helping victims out of domestic violence situations. We will remain attentive of the mental health crisis in our community and use tools such as care and treatment cases to ensure therapy is offered to those in need.
- TRANSPERANCY
 - In compliance with our legal and ethical obligations the county attorney's office will strive to be more transparent in our work in the community. We feel it is important for the community to know about the work we do and we will share information to the extent is legally and ethically permissible.
- MORE EFFICIENT USE OF RESOURCES AND TECHNOLOGY

- The Harvey County Attorney’s Office will utilize technology to allow for more efficient, streamlined prosecution.
- COLLABORATIVE EFFORTS WITH LAW ENFORCEMENT AND COMMUNITY PARTNERS
 - Close communication with law enforcement agencies is actively encouraged and will continue. This ensures the prompt receipt of reports and evidence for preparation of criminal complaints, quicker signing of complaints and probable cause affidavits, and the timely scheduling of hearings. Regular meetings with law enforcement police chiefs, Kansas Highway Patrol, and the County Sheriff will continue, in order to ensure communication and cooperation between agencies. Additional collaboration with community partners including Heart to Heart Child Advocacy Center, Safehope, the Department of Children and Families, the local school systems and others will be encouraged.

Department's Alignment with County's Mission and Values

It is the mission of Harvey County to provide our citizens with beneficial, essential, public services in a professional, courteous and fiscally responsible manner.

Integrity- The Harvey County Attorney's Office is charged with upholding the law in a variety of legal arenas. As such, integrity is at the very heart of our business.

Respect- The Harvey County Attorney's Office interacts with many segments of the community, always treating others with respect without regard to their role in the criminal justice system.

Understanding- Open and direct interaction occurs with the staff on a daily basis in the county attorney's office--an absolute necessity in this field—to ensure the mission of Harvey County is fully understood and communicated to the public.

Well-being- Support staff and attorneys continually communicate and coordinate on cases so all are a part of the process and have a full understanding of our mission: to protect the safety of the citizens of Harvey County, enforce the criminal laws of the State of Kansas, and prosecute those who commit crimes while we ensure the needs and rights of the victims in each case are met.

Courtesy- The Harvey County Attorney's office must interact with many segments of the population, always operating within the same parameters of courtesy, fairness, and openness. Collaboration is key in this arena, and without courtesy, collaboration disintegrates rapidly.

Humor- The employees within the Harvey County Attorney's Office deal with difficult issues on a regular basis. The details of crimes that aren't generally made public are processed by the employees. Humor is a necessary coping method in this field of work. It is encouraged and key to maintaining staff moral and emotional (as well as physical) well-being.

Harvey County – 2024 Budget

Department

Indigent Defense

Mission

The statutory mission of the State Board of Indigents' Defense Services is to provide, supervise and coordinate, in the most efficient and economical manner possible, the constitutionally and statutorily required counsel and related service for each indigent person accused of a felony and for such other indigent person as prescribed by law.

Department/Program Information

In accordance with Kansas Statute(s) K.S.A. 22-4501 and K.S.A. 22-4507, Harvey County is required to provide indigent defense services to those individuals who meet the requirements set forth by the statutes. Harvey County annually contracts these services with a pool of attorneys who then represent the clients.

Harvey County – 2024 Budget

Department

County Appraiser

Mission

The mission of the County Appraiser’s Office is to continually review, appraise, and maintain the most fair and equitable property values possible. This is accomplished through our employees and public education program, courteous and positive rapport with the public and a close working relationship with the State Division of Property Valuation of the Kansas Department of Revenue.

Department/Program Information

The Appraiser’s Office places values on Real and Personal Property in Harvey County in accordance to Kansas Statutes and directives from the Property Valuation Division. The Property Valuation Division places values on Railroad and Utility properties. The Appraiser’s Office process appeals of Real and Personal Property values by taxpayers and participates in Kansas Court of Tax Appeal hearings concerning appealed property values in Harvey County Kansas. The office also regularly visits properties either through Data Collection, Permits, or if a sale occurs.

2022 Accomplishments

In 2021, for Tax Year 2022, the county was back out in the field making sure the information we have on the computer for the owners is correct. Personal Property and Oil and Gas were able to keep the owners and properties up to date as well.

2023 Goals/Objectives/Initiatives/Performance Measures

The goals for this office remains the same. We will complete all substantial compliance categories according to the guidelines as required by statute and reviewed by the Property Valuation Division. The office will also work hard to maintain a good rapport with the public. Some of the projects the staff and I will complete are listed below:

Real Estate:

- Sale File Validation
- Re-inspection and Quality Control
- Land Valuation
- Cost and Depreciation
- Income and Expense Survey
- Final Review
- Agricultural Use
- Mapping, Ownership, Splits and Combinations

Personal Property:

- Mailing Renditions
- Mailing Value Notices
- Auditing 15% of Returns by Class

2024 Goals/Objectives/Initiatives/Performance Measures

- Data Collection, check building permits
- Work Sales, set appraised values
- Splits and Combinations, Deed changes
- Personal Property and Oil and Gas

Department’s Alignment with County’s Mission and Values

It is the mission of Harvey County to provide our citizens with beneficial, essential, public services in a professional, courteous and fiscally responsible manner.

Integrity – This office will deal honestly with the public at all times.

Respect - The public will be given the respect they are due as taxpayers.

Understanding – We will work hard to listen to the taxpayer and try to help with problems, concerns or questions.

Well-being – We will try to make their experience as pleasant as possible.

Courtesy – Our goal is to be fair in valuing properties and to taxpayers.

Humor – This goal is the most important. If you don’t laugh at yourself or a situation, that makes this job a lot harder.

Harvey County – 2024 Budget

Department

Planning, Zoning and Environmental

Mission

The mission of the Harvey County Planning, Zoning and Environmental Department is to provide timely, courteous, knowledgeable advice and assistance to the citizens, planning commission and governing body of Harvey County in regard to land-use related matters, while enforcing compliance with applicable regulations.

Department/Program Information

Planning & Zoning

The Harvey County Planning, Zoning and Environmental (PZE) Department is responsible for developing and administering land use regulations within the unincorporated portions of the County, and for analyzing and evaluating development proposals to determine whether such proposals are consistent with the goals and objectives contained in the County's Comprehensive Development Plan.

Department staff are responsible for preparing analytical reports pertaining to land use issues for the Harvey County Regional Planning Commission/Board of Zoning Appeals, and the Board of Harvey County Commissioners; and for presenting said reports and making recommendations to those bodies for land use related matters.

Day to day activities of the department include the following: (1) Providing assistance to the public when it has questions pertaining to land use matters; (2) Processing applications for specific land use related requests; (3) Issuing building permits; (4) Enforcing zoning and subdivision regulations; (5) Reviewing proposed subdivision developments and providing analysis regarding those developments to the Planning Commission and County Commission.

Stay current and knowledgeable about zoning activities happening across the state through the Kansas Association of County Planning and Zoning Officials (KACPZO) and stay up to date on the possible changes in legislation through Kansas Association of Counties.

Flood Plain Management

Flood Plain Management is a delegated responsibility of local governments by the Legislature of the State of Kansas. Local governments are responsible for adopting floodplain management regulations as outlined in K.S.A 12-741 et seq. and K.S.A. 12-766, to protect the health, safety and general welfare and to minimize losses.

It is the floodplain manager's responsibility to restrict or prohibit uses, which are dangerous to health, safety or property in times of flood or cause undue increase in flood heights or velocities. The floodplain manager is to require that uses vulnerable to floods, including public facilities, which serve such uses, be provided with flood protection at the time of initial construction. Individuals

should be advised against purchasing land that is unsuited for intended purposes because of flood hazards.

Property owners must be assured eligibility in the community to purchase flood insurance in the National Flood Insurance Program. The floodplain manager is responsible to educate the public about the National Flood Insurance Program, providing floodplain determinations for citizens and administration of floodplain regulations.

Staff receives training and updates on floodplain management through memberships in the Association of State Floodplain Managers as well as State associations and resources.

It is staff's responsibility to make sure that all of the incorporated areas of Harvey County remain in compliance with floodplain regulations. Staff uses GIS mapping to check all properties prior to issuing permits or when they receive inquiries on properties to best inform the public about the floodplain issues on the properties.

Environmental

Harvey County Sanitation Codes were adopted to eliminate and prevent the development of environmental conditions that are hazardous to health and safety, and promote the economical and orderly development of land and water resources of the county. It is the environmental staff's responsibility to inform the public of these codes and to enforce them.

The environmental staff's responsibilities include:

- Issuing sewer and water well permits as requested.
- Conducting soil profiles to determine type of soil and size of wastewater treatment system needed.
- Carrying out post construction inspections of onsite wastewater treatment systems and water wells.
- Conducting property exchange inspections of property in the unincorporated areas of the County that have onsite wastewater treatment systems and domestic water wells.
- Issuing reports to buyers and sellers to report the condition of the wastewater systems and water wells.
- Providing water testing services to the people in the rural areas of the county who rely on groundwater for domestic purposes.
- Addressing violations of the sanitation code.

Training provided by the Kansas Small Flows Association, Kansas Environmental Health Association and PrivateWellClass.org is utilized by staff. Conferences and meetings to keep staff up to date on water issues and environmental issues that affect our community.

Staff is responsible to identify, inform, and educate onsite wastewater system owners in high priority total maximum daily load (TMDL) watersheds of their responsibility to adequately operate and maintain their onsite wastewater treatment systems. Staff participate in developing TMDL's in Harvey County by attending meetings and by reviewing and revising our local environmental protection program to address high priority TMDL's. Protection of the Equus Beds Aquifer is a high priority for regional water supply.

2022 Accomplishments

Planning and Zoning had a very busy year. Despite the increased number of meetings, applications, working on the comprehensive plan and regulations changes, the department was able to stay under budget for the year. With all of the work and being short staffed most of the year, staff was not able to attend the trainings that were part of the goal for 2022. The Planning Commission got a lot of work done in a short period of time and staff was able to keep up with permits and requests for information.

- Issued 92 building permits with a total estimated cost to build at \$10,486,627.82. (Note: Estimated cost to build is not the same as Appraised Value of Structure.) Twelve of those were for single family dwellings with an average cost of \$396,583.33. Six commercial buildings were permitted at an average cost of \$99,737.64. Twenty-four new agricultural accessory buildings were permitted at an average cost of \$94,283.75.
- Issued 25 sewer permits
- Issued 27 well permits
- Completed 36 mortgage inspections
- A total of 50 water tests were sent to the lab for analysis
- Held 12 Planning Commission meetings and 3 workshop meetings – Approved conditional use permits for hunting lodge, antique auto salvage storage, vacation rental tree house, wedding venue; Denied conditional use permit for living in an RV. Denied rezoning from A-1 to RDS for a cryptocurrency mining operation and approved 2 variances. The Planning Commission also worked on the Comprehensive Plan and updated the renewable energy regulations.
- Twenty-eight violation letters were mailed for violations including floodplain violations, failure to obtain a permit, failure to follow through with conditions on permit and sewer violations.
- Staff attended planning and zoning training at Winfield, alternative sewer treatment training in McPherson, and several online training classes for floodplain management.
- Worked to have better communication with township officers including them in public notices for applications.

2023 Goals/Objectives/Initiatives/Performance Measures

- Complete the development of the Comprehensive Plan, make preparation to begin updates on Unified Development Code. Keep up-to-date with changes in legislation that affect zoning.
- Through citizen outreach, update renewable energy regulations.
- Provide timely and accurate advice and assistance to all citizens along with the Planning Commission in regards to land use and related matters. Work to make citizens experience with planning and zoning positive experiences and build good working relationships with the public.
- Increase knowledge of all staff through training, webinars and other sources, this department requires on going education in environmental, zoning and floodplain management.

- Continue to enforce floodplain regulations and help landowners address the challenges they face when owning property in a floodplain.
- As the new Floodplain maps are released, outreach will play an important part to ensure landowners understand the floodplain regulations and challenges.
- Continue to work toward digital files by scanning all paper documents with the goal permit management software in the future.
- Improve communication and collaboration with internal departments, townships and other organizations affected by land use decisions.
- Review fees charged by the planning and zoning department and environmental department to see if they are covering all the expenses they need to cover and if they are in line with other counties in the state.

2024 Goals/Objectives/Initiatives/Performance Measures

- Develop new Unified Development Code, updating current regulations to better meet the changes in today's culture and changes in legislation at the state level.
- Investigate opportunity for outside source to perform inspections on septic systems and alternate systems. Inspectors that focus in this area have access to equipment that will give a better view of the system and if there are failing elements within the system.
- Develop mitigation outreach for floodplain properties and high risk wildfire areas to help reduce the damage and increase safety.
- Collect data and map areas prone to damages and losses during natural disasters including wildfires and flooding to improve land use determinations and uses.
- Continue to address violations within the county by working with landowners to set timelines to make corrections and find workable solutions.
- Begin exploring updates to the Harvey County Sanitation Code and make a plan to update to better meet current state codes and new technology.

Department's Alignment with County's Mission and Values

It is the mission of Harvey County to provide our citizens with beneficial, essential, public services in a professional, courteous and fiscally responsible manner.

Integrity - Provide honest and consistent advice and answers. Decisions are based on regulations as outlined in the Unified Development Codes, Comprehensive Plan and Sanitary Codes.

Respect - Be respectful of opinions of all parties involved in the decision making process. Allow people time to express their concerns and opinions.

Understanding - Understanding the needs of our citizens is key in our decision making process by finding conventional and alternate solutions while navigating through county regulations and staying in compliance with state and federal statutes.

Well-being - Decisions are made for the well-being and safety of all citizens. A positive approach helps to lead to positive experiences and a sense of accomplishment for all involved.

Courtesy - Decisions are made for the well-being and safety of all citizens. A positive approach helps to lead to positive experiences and a sense of accomplishment for all involved.

Humor - Humor can aid in easing tension in the workplace. It helps relieve stress and keep relationships positive. We value humor as it keeps us healthy and grounded.

Harvey County – 2024 Budget

Department

Sheriff's Office

Mission

The mission of the Harvey County Sheriff's Office is to protect our communities by providing law enforcement services, which ensure that Harvey County is a safe place to live, work, play and visit. It is essential that we hold ourselves accountable to the highest of ethical standards being committed to and demanding nothing less than excellence from ourselves. We will strive as an organization to obtain and preserve the trust of the citizens we serve through an open and honest administration that emphasizes service to the citizens. We are committed to this mission and will conduct our responsibility with dedication to the citizens that we proudly serve.

Department/Program Information

Patrol Deputies

The Patrol Division is made up of 8 full time certified Deputies, 4 Patrol Sergeants, and one part time Certified Deputy. Patrol deputies respond to calls for assistance within the cities of Harvey County as well as the county in general. The Patrol Division strives to provide a high quality level of service to everyone in Harvey County.

Civil Process/Warrant/Courthouse Security

The Sheriff's Office has one full time process server who serves several thousand civil papers each year. We also have one full time warrant/transport Deputy who travels all over the state picking up inmates. Our newly appointed Courthouse Security Deputy patrols the halls of the Harvey County Courthouse to ensure everyone's safety at all times.

Investigations

The Investigations Division is made up of one Detective Sergeant and 4 Investigators. Two of the Investigators are assigned to the Narcotics Unit and the other two are general Investigators. The division has grown over the last few years because of the violent crime in our County. The current staffing levels are adequate for the current case load.

Administration

Sheriff Gay worked very hard throughout the year meeting with local groups and community members talking about the Sheriff's Office and its capabilities. Sheriff Gay is taking a Unified approach with our community partners to make Harvey County a safer place. Undersheriff Chapman supervised the Investigation Division. Chief Deputy Hardtarfer retired after over 20 years of dedicated service. Captain Brandon Huntley will take over supervision of the Patrol Division. All three administrators work well together to meet the mission of the Sheriff's Office.

Reserve Deputies

The Reserve Deputy Division is run by Captain Mark Scheffler. This group of dedicated volunteers continue to support the Sheriff's Office and the citizens of Harvey County. The Reserve Deputies

volunteer their time to assist Sheriff Operations in whatever capacity they are directed to. The Sheriff's Office can always count on the Reserve Deputies to go above and beyond the call of duty.

Harvey County Sheriff Support Services

Chaplain Ray Nicodemus and his volunteers continue to provide programs at the Harvey County Detention Center. Those programs include; High School education, anger management, alcoholics anonymous, narcotics anonymous, various denominational spiritual programs, reading programs, family value programs and mental health counselling.

Harvey County Detention Center

The Detention Center is made up of a Captain, Lieutenant, 4 Sergeants, Offender Registration Deputy, 4 Corporals and 10 Detention Deputies. The Detention Center is an indirect facility that operates 24 hours a day. The daily population average for the Detention Center is in the low 100's.

Conclusions

In 2022 the Sheriff's Office experienced some turnover of employees. This has proven to be a growing problem for all law enforcement agencies across the nation. We have struggled to fill some of those open positions but are managing this issue the best we can under the circumstances. Lack of pay and benefits were addressed by the Commissioners and Administration at the end of 2022. The new pay scale adopted will help in retaining our employees as well as recruit new employees should the need arise. We are confident that our organization will succeed for the foreseeable future.

Some renovations were completed in the Detention Center but this continues to be a growing problem. The age of the jail is showing and the lack of maintenance has taken its toll. We must continue to be strategic in maintenance projects at the Detention Center moving forward to prevent a catastrophic event.

Courthouse security has been addressed by assigning a full time Deputy to the Courthouse. This is a very new program that will need to be developed more to assure the safety of everyone in the building. This will take funding, personnel and more conversations to make this program successful.

2022 Accomplishments

- Saved money by providing in-house training for Deputies and limited the amount of training received outside the Sheriff's Office.
- Participated in the Holiday Helpers program which helps to provide food for families in Harvey County
- Conducted a successful DUI check lane for the first time in many years
- Added a new K9 to our agency that was funded by donations from the Citizens of Harvey County
- Were approved to have a facility assessment of our Detention Center

2023 Goals/Objectives/Initiatives/Performance Measures

- Have our facility assessment completed for the Detention Center so we can begin prioritizing the needs and potential remodel
- Continued development of the Courthouse Security program
- Enhance and revamp our current Filed Training Officer Program
- Find ways to recruit and retain employees
- Continue to provide in-house training to our employees that is relevant to today's standards and best practices
- Conduct more DUI check lanes as well as other traffic initiatives to keep our communities safe

2024 Goals/Objectives/Initiatives/Performance Measures

- Continued development of the Courthouse security program
- Begin preparing for a full scale remodel of the Detention Center facility
- Increase rural patrols so that Deputies are more visible and hopefully decrease property crime in the County
- As always, Officer Safety is vital at this point in our Country. Increasing training and equipment to keep our Deputies safe is a necessity.

Department's Alignment with County's Mission and Values

It is the mission of Harvey County to provide our citizens with beneficial, essential, public services in a professional, courteous and fiscally responsible manner.

Integrity – We strive always to be consistent and transparent when interacting with co-workers and the public. We hold ourselves accountable for all our actions.

Respect – We show respect by sincerely listening to others, by being considerate, and by being fair.

Understanding – We show understanding by empathizing and creating friendly and harmonious relationships.

Well-being – Well-being includes physical, mental, and social wellness. We promote well-being by practicing appreciation, kindness, and generosity.

Courtesy – We show courtesy to others by making eye contact, by addressing others civilly, by promptly responding to requests, and by honoring deadlines.

Humor – We value a sense of humor because it reflects creativity and well-being. When appropriate, we make laughing a priority.

Harvey County – 2024 Budget

Department

Communications Services (9-1-1)

Mission

The mission of the Harvey County Communications Center is to provide prompt, professional service to our citizens and emergency responders. We are committed to serving with integrity, compassion, cooperation, and courtesy in order to promote and protect the public safety and security of our communities.

Department/Program Information

Harvey County Communications provides 911 and administrative call answering and dispatching services to all of Harvey County including the cities of Newton, Halstead, Sedgwick, Burrton, Hesston, North Newton and Walton. The communications center service area also includes regions of surrounding counties and the cities of Elbing and Whitewater as defined by Fire and EMS response boundaries for the agencies we dispatch. Harvey County Communications dispatches responders from all police, fire, EMS and public works agencies within these response boundaries.

Other services provided and responsibilities include:

- Utilizing the Emergency Medical Dispatch system to offer immediate basic life support instructions by telephone until responders arrive.
- Coordinating law enforcement, EMS and fire personnel on multiple agency responses.
- Gathering information from the scene prior to unit arrival to assure the safety of those responding and to monitor their safety throughout the call.
- Offering support, guidance and structure to emergency callers until units arrive and take physical control of the scene.
- Monitor severe weather conditions, notify responders of watches and warnings, and activate tornado sirens.
- Enter wanted, missing or endangered persons and stolen property into the National Crime Information Computer and maintain and update those entries as needed.
- Process and disseminate Criminal History Record Checks for court services and law enforcement personnel.
- Providing on scene support, communications expertise, and resource gathering and tracking for incident commanders while focusing on the major incident and allowing the Communications Center to continue handling day-to-day events.
- Provide oversight and management of Harvey County portion of the State P25 800 Radio system including equipment maintenance, programming and policy.
- Harvey County Communications strives to send the right units, at the right time, in the right way to protect the lives and property of those we serve

2022 Accomplishments

2022 was a mixed blessing for us. We celebrated 40 years in existence since the merger of the Harvey County Sheriff and Newton Police Department Dispatch Centers into Harvey County Communications. It was also a rebuilding year for us. After over a year of being down up to 6 positions, and struggling to get good, qualified applicants to test for those openings, we finally inched towards filling the vacancies. In-person training was still on hold, so much of our training was in house and virtual. Through all the challenges and hurdles, our staff stayed strong and continued to provide top-notch service.

2023 Goals/Objectives/Initiatives/Performance Measures

After many delays, the move to APCO EMD protocols is nearing its completion. The updated protocol cards are in hand, and training to update our staff will soon commence. Staffing deficits continue, just as we promoted and filled our open 4th shift supervisor position, we lost another long-term employee/shift supervisor. We have filled all open Dispatcher positions and look forward to great things from our current 4 trainees, in addition to 2 new part-time employees, one of whom used to work here full time, and a second who has a lot of radio expertise to bring to the table. We continue to look for ways to improve radio coverage issues and are working on projects at East Lake, the Courthouse and Detention Center. We also are in discussions with 2 other school districts about coming on board the radio system. Finally, with a 2024 CIP project on the horizon, we are in active discussions with several vendors in anticipation of updating our console furniture and adding a 6th console and interactive video wall next year.

2024 Goals/Objectives/Initiatives/Performance Measures

Our big project on the board for 2024 is replacing the console furniture, as well as adding a 6th position for overflow and major events. In addition, we will be installing a video wall for situational awareness and intelligence gathering, and future needs (video, pictures, mapping, sensors). We had also planned to look at replacing the carpet tiles in the center, but recent developments have also shown the need to look at replacing the steel floor panels that are deteriorating.

Department's Alignment with County's Mission and Values

It is the mission of Harvey County to provide our citizens with beneficial, essential, public services in a professional, courteous and fiscally responsible manner.

Integrity – Harvey County Communications aligns with the County Mission by providing dedicated, well-trained staff to provide the best possible service and response to the citizens and responders.

Respect – Through their training and policies, staff are encouraged and expected to treat callers, responders and each other with the utmost respect, and to do all they can to be helpful and accountable.

Understanding – People do not generally call us because they are having a good day. We deal with people under stress, in emergencies, and when they are at their worst. Our staff are trained and guided to be understanding, compassionate, and not take callers personally, but still offer what help they can and get aid to them as quickly as possible.

Well-being – Not only do we deal with citizens and responders who are under stress, but our staff can feel the effects of traumatic calls on a daily basis as well. We are very cognizant of this fact, and provide training and information to staff on stress management, and encourage everyone to watch out for each other and bring issues to our attention. In addition, several members of the staff are trained in CISM and provide peer support when needed.

Courtesy – Courtesy goes hand-in-hand with respect; dispatchers are expected to be courteous and respectful to callers and responders alike, and to avoid letting emotions control the conversation.

Humor – Dispatch has its serious moments, but we also encourage a workplace where employees can feel free to laugh, share, and be friendly to each other. But when duty calls, it is expected and observed that they act courteous and professional with citizens and responders at all times.

Ambulance Appropriation

Department/Program Information

Harvey County utilizes General Fund revenues to provide an allocation to cities providing ambulance services within Harvey County, in lieu of the County operating an ambulance service. The distribution formula for the ambulance service allocation is outlined in Kansas Statute (K.S.A.) 65-6113, which provides that allocations are to be made based on percentage that the assessed tangible taxable valuation the taxing district bears to the total taxable tangible valuation of the County, unless the taxing district receives from the County more than the district's cost of furnishing such ambulance services.

Harvey County – 2024 Budget

Department

Emergency Management

Mission

Harvey County Emergency Management Department is dedicated to serving the citizens and local governments of Harvey County by providing assistance in order to mitigate against, prevent, protect, respond, and recover from all types of emergencies and disasters.

Department/Program Information

Managerial function charged with creating the framework within which communities reduce vulnerability to hazards and cope with disasters. Responsible for plans, programs, and training that protects our communities from disasters - and if they do occur - support the response and recovery efforts.

Based on K.S.A. 48-929, each county within the state shall establish and maintain a disaster agency responsible for emergency management and coordination of response to disasters or shall participate in an interjurisdictional arrangement for such purposes under an interjurisdictional disaster agency as provided in K.S.A. 48-930, and amendments thereto.

2022 Accomplishments

- Completed all requirements to maintain eligibility for Emergency Management Performance Grant.
- Coordinated, and participated in, three multi-agency exercises; Foreign Animal Disease, Public Information Officer, and Wildland Fire.
- Monitored regularly scheduled tests of the public warning system for the communities of Harvey County.
- Identified best practices for assuring all outdoor warning siren systems were functioning effectively, and offered counsel to system owners on adequacy of coverage.
- Supported, promoted, and improved upon the functions of the Local Emergency Planning Committee (LEPC). Began conducting mini-exercises during each LEPC meeting to discuss and enhance County-wide interoperability.
- Partnered with Long Term Care facilities to support Centers for Medicare and Medicaid Services requirements.
- Enhanced Emergency Operations Center (EOC) capabilities by creating and updating a daily situational awareness board consisting of climate, fire, seismic, hydrological, and regional drought data. All data is forecasted at least three days out and has enabled advance preparation for potentially high-impact events.
- Began to operationalize the strategic Harvey County Emergency Operations Plan by creating a tactical playbook and building mission-specific checklists. The first checklists created were the

Activation Guide, EOC Manager, and Severe Weather Checklists. Checklists will be utilized during exercises as the standard operating guide and updated based on lessons learned.

- Partnered with the Community Chaplain Response Team (CCRT) to establish the new Volunteer Response Team (VRT). The VRT was called into action just days after its formalization in support of the Fox Meadows Apartment fire.
- Supported the Fox Meadows Apartment fire by activating the EOC and partnering with Newton Fire/EMS, Newton PD, City of Newton PIO, United Way, CCRT, Central Kansas Community Foundation (CKCF), and Harvey County Departments of Health, Communications, and Administration/Geographic Information System (GIS).
- Supported the Cottonwood Complex Fire by activating the EOC and partnering with fire crews throughout Harvey County, Reno County Emergency Management, and Harvey County Departments of Health, Communications, and Administration/Public Information.
- Established new Emergency Support Function (ESF) for Volunteer Management (ESF-17). This new ESF will build the capability to manage volunteers and volunteer-supported facilities during response and recovery operations.
- Began developing a new ESF for Mental and Spiritual Health (ESF-18). This new ESF will take a whole-of-community approach for mental and spiritual health during and after a disaster for both community members and response personnel alike.
- Expanded stakeholder knowledge of EOC operations through training, exercises, and outreach.
- Partnered with the Harvey County Public Information Officer (PIO) to create a more robust social media outreach and engagement program, with a year-round focus on community education and preparedness, real-time weather notifications, and suicide prevention.
- Partnered with the CKCF and the CCRT to obtain an educational outreach grant focused on underserved communities throughout Harvey County. The grant will enable the CCRT to better educate underserved communities on emergency preparedness.
- Continued to refine an active shooter threat response within Unified School District (USD)-373 by establishing pre-determined tactical and non-tactical protocols and response actions with Harvey County Sheriff's Office, Newton Police, and Newton Fire/EMS.
- Developed, facilitated, and participated in an active shooter exercise with USD-373, Newton High School, Harvey County PIO/Geographic Information Systems (GIS), Harvey County Sheriff's Office, Newton Police Department, and Newton Fire/EMS.
- Partnered with Harvey County Communications and Harvey County Data Processing to create increased and concurrent EOC, telework, and in-field communications interoperability through the development of a centralized EOC email account, Meeting Owl audio/video capability, and field-to-EOC radio channel.
- Partnered with PIO and GIS to establish no-notice response protocols for unforeseen emergency responses.
- Partnered with the Department of Health and American Red Cross to update Harvey County's Sheltering Plan.
- Partnered with the Coroner's Office to update Harvey County's Mass Casualty Plan

2023 Goals/Objectives/Initiatives/Performance Measures

- Support incident commanders, government officials, and key stakeholders.
- Maintain readiness through planning, training, and exercises.
- Develop, facilitate, and participate in severe weather, recovery, and wildland fire exercises.

Stabilization Reserve

Department/Program Information

On March 7, 2011 the Harvey County Commission adopted and on July 14, 2014 revised the Fund Balance Policy in order to maintain prudent reserve amounts in County funds to preserve the credit worthiness of the County for borrowing monies at favorable interest rates, to maintain working capital for the County to meet cash flow needs during the year, and to maintain balances of funds at levels sufficient to mitigate current and future risks, such as revenue shortfalls and unanticipated expenditures. The policy for the General Fund is to maintain a minimum unreserved balance on December 31 of year equal to a minimum of 15 percent of the budgeted annual expenditures and transfers out.

The Stabilization Reserve was created to assist the County in meeting this policy requirement while ensuring compliance with the State's budget laws for local governments.

Conservation District Appropriation

Mission

The mission of the Harvey County Conservation District is to preserve the natural resources of Harvey County for generations to come by providing programs and education dedicated to soil and water conservation.

Department/Program Information

Harvey County allocates funding on an annual basis to the Harvey County Conservation District. The Conservation District administers state cost-share programs to landowners to improve their land by adding terraces, structures, ponds, etc. to conserve our natural resources. The Conservation District also administers funds to improve water quality through targeting those areas that are prone to non-point source pollution. The Conservation District's primary funding comes from the Kansas Water Plan Fund. The County allocates this funding in accordance with Kansas Statute 2-1907(b).

Department

Health

Mission

Harvey County Health Department is committed to protecting the public’s health and environment, preventing disease, and promoting healthy living.

Department/Program Information

The Harvey County Health Department (HCHD) is responsible for monitoring the health status of residents in Harvey County. This includes the investigation of reportable diseases and school inspections. (KSA 65-118, 65-128, 65-6001-65-6007, KAR 28-1-2, 28-1-4, 28-1-18, and KSA 65-202.)

We are health strategists providing health data, seeking resources, as well as being a provider for health-related needs in our county. Refer to the “Harvey County Health Department” brochure or department web page at www.harveycounty.com for a comprehensive listing of services.

Public Health Officer and Medical Consultant: Dr. Doyle Detweiler.

The Centers for Disease Control and Prevention’s (CDC) 10 Essential Public Health Services provide a framework for public health to protect and promote the health of *all people in all communities*. To achieve equity, the Essential Public Health Services actively promote policies, systems, and overall community conditions that enable optimal health for all and seek to remove systemic and structural barriers that have resulted in health inequities. Such barriers include poverty, racism, gender discrimination, ableism, and other forms of oppression. Everyone should have a fair and just opportunity to achieve optimal health and well-being.

1. Assess and monitor population health status, factors that influence health, and community needs and assets
2. Investigate, diagnose, and address health problems and hazards affecting the population
3. Communicate effectively to inform and educate people about health, factors that influence it, and how to improve it
4. Strengthen, support, and mobilize communities and partnerships to improve health
5. Create, champion, and implement policies, plans, and laws that impact health
6. Utilize legal and regulatory actions designed to improve and protect the public’s health
7. Assure an effective system that enables equitable access to the individual services and care needed to be healthy
8. Build and support a diverse and skilled public health workforce
9. Improve and innovate public health functions through ongoing evaluation, research, and continuous quality improvement
10. Build and maintain a strong organizational infrastructure for public health

Department's Alignment with County's Mission and Values

It is the mission of Harvey County to provide our citizens with beneficial, essential, public services in a professional, courteous and fiscally responsible manner.

Integrity – Each employee has a criminal background check upon hire. Department policies/procedures about interactions with clients, the public, and other staff stress the need for confidentiality and responsibility to the work of the health department. All staff participate in annual HIPAA training. Annual review of licensure of clinical staff is conducted.

Respect – At orientation, each health department staffer learns of the HIPAA regulations and culture of respect and dignity in the health department. This is continually addressed at staff meetings.

Understanding – Staff are trained on their specific duties and the role of the health department in the community and the county government system. Through the year, continuing education is offered to every staff for growth in their role and the department's purpose.

Well-being – Staff are encouraged to participate in the county wellness team's events/offerings and take time for themselves to be refreshed for their role in the department. Breaks and lunch times are observed by all staff.

Courtesy – As a service-providing agency, courtesy is always stressed. Each staffer holds the other accountable for courteous and kind interactions. When situations occur, health department staff discuss possible solutions for future encounters.

Humor – The culture of the health department has evolved to one of respect for all and recognition of times of lightheartedness.

Harvey County Parks and Recreation

Mission

Harvey County Parks is dedicated to the preservation of natural resources through the practice of land stewardship, education and by providing quality outdoor recreation opportunities.

Department/Program Information

The purpose of the Harvey County Parks Department is to provide quality outdoor recreational opportunities to Harvey County residents as well as out of county visitors. Some of these activities are: camping, hiking, boating, horseback riding, fishing, hunting, bird watching, and picnicking.

Educational opportunities are also offered through school field trip programs, and Fishing's Future.

Services provided by staff include but are not limited to: providing information, security, directions, maintenance and cleaning, general patron assistance, and rule/regulation enforcement of county and state statutes. The Parks Department also operates two separate Bait Shops that are open seasonally.

Each member of the Parks and Recreation Department makes it a priority to ensure the community goodwill, protection of the flora and fauna, and safety of the public are maintained.

- Replace park patrol trucks.
- Purchase a new side by side.
- Hold the annual Easter Egg Hunt at Camp Hawk for the first time since Covid.
- Repaint all the bathrooms and reseal all toilets.
- Replace roof on West Park garage and storage shed.

2024 Goals/Objectives/Initiatives/Performance Measures

- Finalize and open new Lakeside Shower House at West Park.
- Replace East Park docks.
- Begin replacing playground equipment.

Department's Alignment with County's Mission and Values

It is the mission of Harvey County to provide our citizens with beneficial, essential, public services in a professional, courteous and fiscally responsible manner.

Integrity – We do our best to keep everyone informed on what is happening in their parks. It is one of our top priorities to treat everyone fairly and with honesty.

Respect – Whether it be planning activities or reviewing policies, procedures and regulations we try to consider everyone's uniqueness and needs. While enforcing County and State regulations we always listen and take into consideration the individual situation and first try to educate about the violations and then deal with any issues that need further attention.

Understanding – Through our educational programs we provide the information that is necessary to understand how the respect of nature plays a vital role in our everyday lives. We strive to continually educate ourselves to the needs of the communities we serve.

Well-being – We provide outdoor activity opportunities to improve both physical and mental health.

Courtesy – We are always available when needed and treat everyone fairly and equally.

Humor – We recognize that a sense of humor is key to enjoying ourselves and try not to take ourselves too seriously. From our family friendly events, to having a conversation with our patrons, we want everyone to leave with a smile and be excited and looking forward to coming out to a park again.

Harvey County Historical Society Appropriation

Department/Program Information

Based on Kansas Statute(s) K.S.A. 19-2648 and K.S.A. 19-2651, the Harvey County Historical Society provides for the collection of records, documents, and articles of historical value or interest and establishes, maintains, displays and provides housing for the historical collection of such records, documents and articles relating to Harvey County. In 1963, the County Commission passed Resolution 1963-28 authorizing financial assistance to the Harvey County Historical Society. The County's annual appropriation to this organization is for housing Harvey County government historical records and to help offset their operational costs.

Free Fair and Saddle Club Appropriation

Department/Program Information

Harvey County allocates funding to the Harvey County KS Fair Association and the Newton Saddle Club on an annual basis. The Harvey County Fair and Saddle Club Fair Rodeo is a county-wide event held annually in August. The carnival and most events are free and open to the public. In addition to this, there are numerous 4-H events and exhibits, in addition to a rodeo, demolition derby, and parade. Funding for this event helps to offset expenses, as set forth by Kansas Statutes (K.S.A.) 2-129 and 2-132.

HESSTON ROAD PROJECT

From the Newton City limits to the McPherson County line, this 9.6-mile long project included construction of shoulders, lateral expansion joints, concrete pavement patching, grading, HMA overlay, seeding, pavement striping, and signing. It took 9 months to complete, and the total final cost was \$4,284,326.97. The City of Hesston participated in this project, so the final cost to Harvey County was \$4,251,523.02. It was the largest paving project in Harvey County history.

Pearson Construction was the prime contractor.

N. EAST LAKE ROAD REGRADE PROJECT

- Location: N. East Lake Road between NE 12th and NE 60th
- Length: 4 miles
- Scope: Grade ditches, restore road crown, compact and surface with gravel

CAMP HAWK SPILLWAY PIPE REPLACEMENT

Road & Bridge crews excavated and removed the deteriorated old vertical spillway pipe, and the 90'+ horizontal section, and replaced them with heavy wall steel pipes. Now the lake can maintain the proper level.

E-30.6 BRIDGE REPLACEMENT

Location: SE 60th, 0.4 mile west of S. Osage.

This project was selected by the Kansas Department of Transportation to be included in their Off-System Bridge Program. The existing bridge is a structurally deficient 77' long 5 span timber and steel bridge built in 1975. The replacement will be a 3 span haunch slab bridge. The prime contractor is Dondlinger Construction, and the bid price was \$661,672.41. Because this project is 80% Federally Funded, Harvey County's portion is \$133,000.00. Work is to begin in late April or early May.

HMA OVERLAY PROJECT (1.75")

APAC-Kansas is the prime contractor, and work is expected to begin in July or August.

- E. 1st, from the Newton City limits to the Butler County line = 8.50 miles
- S. Halstead Rd., from the Sedgwick County line to SW 36th = 6.00 miles

RCB REPLACEMENT PROJECT

Letting for this project is expected to be in the spring.

- G-22.5..... SE 36th, 0.5 mile east of S. Spencer
- 4-Q.4..... N. Prairie Lake, 0.4 mile north of W. Dutch
- D-8.7..... SW 72nd, 0.7 mile east of S. Golden Prairie
- 15-J.9..... N. Emma Creek Rd., 0.1 mile south of NW 12th

HIGH RISK RURAL ROAD (HRRR) PROGRAM

Fully-funded project that involves the design, engineering, and installation of new and improved signing at 28 different intersections throughout the county. WSP is the engineering firm, and Cooper Construction is the contractor. Work should begin this spring.

GUARDRAIL REPAIR PROJECTS

J&J Contractors out of Iola is submitting a proposal to repair guardrail damaged in vehicular accidents. This work is expected to be funded by the insured.

RCB REPLACEMENT PROJECT

Replacement of 12 timber structures, all badly deteriorated.

BRIDGE 30-I.2 REPLACEMENT

Location: S. Harvest Hill, 0.2 mile north of SE 12th

Currently #1 on our Bridge Replacement Priority list. It is a 23' long concrete slab bridge built in 1920, is presently posted at 5 tons, and is only 16 feet wide. I applied for funding through the Kansas Local Bridge Improvement program in 2020, and again in 2022 with no success.

BRIDGE DECK REPAIR

Particularly two of our concrete bridge decks are suffering from delamination, causing the spalling-off of concrete from the surface exposing reinforcing steel. Freezing and thawing accelerate this problem. Corrosion and deterioration of the re-steel is detrimental to the structural integrity of the bridge. This repair work will add years of life to the bridges.

SHOT-CRETE PROJECT

Exposed and corroding reinforcing steel on the under-side of concrete bridge decks is an issue on two of our bridges. This is a process of sandblasting the steel, removing loose concrete, and applying a cementitious material to the area. This repair work will add years of life to the bridges.

Department's Alignment with County's Mission and Values

It is the mission of Harvey County to provide our citizens with beneficial, essential, public services in a professional, courteous and fiscally responsible manner.

Integrity - It is the difference between success and failure. Without it, no accomplishment matters, and with it even the smallest act becomes important. Every action we take is an opportunity to display integrity, from being punctual to keeping our word. It also involves not making promises that are unrealistic, and not attending every argument one is invited to. Integrity involves being willing to succeed quietly.

Respect –

- In local government, the realization that one is using other people's money to do what we do is vital in handling those resources respectfully. It is reflected when we endeavor to be efficient by adhering to schedules, finding and utilizing the most economical and quality materials, streamlining logistics, and maintaining equipment well.
- Respecting one another is a prerequisite. Everyone is worthy of respect, and it is the starting point toward resolution and accomplishment.

Understanding –

- Understanding our Job: Its validity, as well as how to do it well.
- Understanding the Public: Although we are on the road making improvements, we are in their way doing it. The first step in understanding the public is to understand they will often not understand. Knowing that going in helps prepare us to handle them politely. Understanding that they deserve their moneys' worth helps motivate us to do good work.
- Understanding Each Other: It helps keep expectations reasonable when we understand we are individuals with different abilities, personalities, and skill levels. We are people first, and co-workers second. It is vital to understand one of us is not enough to do what needs to be done. We need each other.

Well-being - A positive attitude is imperative in every line of work. Attitudes are contagious, and a sour one can erode productivity and cause an organization to implode. Good communication helps, in that it reduces guess work and adds clarity to everything. Having high standards is good, but encouraging employees to buy into performing and producing well is vital, and it can result in a higher satisfaction of achievement in the end. As a department, we recognize good work and point to it as a standard.

Courtesy - Being courteous speeds up the building of trust. Courtesy toward the public in the way of prior public notification, being polite, and being proactive in correcting things rather than being reactive reduces complaints and builds better relationships.

Humor - A sense of humor is essential for everyone who works at Road & Bridge. It keeps things more relaxed and makes the day more enjoyable. Everyone must be able to laugh at him/herself. It also is the quickest way to de-escalate an altercation. Once two people have laughed together, often they find a commonality from which to go forward together.

Harvey County – 2024 Budget

Department

Noxious Weed Fund

Mission

The Noxious Weed Department will work to control and eradicate certain plants declared to be noxious weeds by state statutes. In doing this, our department will spray County maintained right-of-ways, county owned properties, and contract to spray township right-of-ways.

We will also continue to work on controlling the spread of listed noxious weed species on private properties in Harvey County. Our department will also work to control brush around County-owned bridges and right-of-ways.

Department/Program Information

Kansas statutes (s) 13, 2-1314 to 2-1332 states that all landowners must control and eradicate noxious weeds on their property. The Noxious Weed Department oversees this law.

Weeds declared noxious in the State of Kansas (10/1/2018) are: kudzu, field bindweed, Russian knapweed, Hoary cress, Canada thistle, Quack grass, Leafy spurge, Bur ragweed, Pignut, Musk thistle, Johnson grass, and Sericea lespedeza.

The Noxious Weed Department uses herbicides along Harvey County right-of-ways to control weeds declared noxious by the State of Kansas. We also contract with the townships to spray their right-of-ways.

During the winter months, the Noxious Weed Department cuts trees and brush on County-owned properties, bridges and roads.

2022 Accomplishments

Bindweed

Total Bindweed acres sprayed:	929.5	Townships
	591.9	County

Johnson Grass

Total Johnson Grass acres sprayed:	4.62	Townships
	226.8	County
	42.9	Private

Musk Thistle

Total Musk Thistle acres sprayed: 94.3 Private

Misc. Spraying

Worked on the annual spraying of the following areas:

- Fairgrounds, Demo pit & Bleachers areas along with hay fields.
- Sheriff's Office, Shooting Range.
- Guardrails on Harvey County Bridges.
- Spray brush on Burmac Rd. & River Park Rd. N. of U.S. Hwy. 50 and other right-of-way areas and properties.

Brush Control & Snow removal

- S. Kansas Ave. West side N. & S. of S.W. 84th. Cut trees & brush.
- S. Kansas Ave. East side N. & S. of S.W. 84th. Cut trees & brush.
- S.W. 125th. S. Side from Sedgwick city limits E. to S. Meridian removed trees and brush at various locations.
- Sedgwick bridge #16-A.6 removed trees from rip rap at N. & S. sides of bridge.
- Ridge Rd. from bridge #16-A.6 to U.S. Hwy. #50 E. & W. Sides cut brush & removed trees at various locations.
- Helped with snow removal at court house.

Equipment

- Replaced Noxious Weed office H.V.A.C. unit (Old unit was the original from when building was built in the 80's).
- Replaced 1 spray logger & flow meter.

2023 Goals/Objectives/Initiatives/Performance Measures

- Spray County Right-Of-Ways.
- Spray townships as requested by Township Boards.
- Control brush around county-owned bridges, intersections, yield signs and stop signs.
- Continue brush and tree trimming across the county on major roads for fire control (i.e. N. Burmac Road & N. River Park Road).
- Work on adding more warning lights to trucks and equipment as needed.

2024 Goals/Objectives/Initiatives/Performance Measures

- Spray townships.
- Not spraying on private property unless by legal notice.
- Spend more time checking for noxious weeds on private property, county roads, and State right-of-ways.
- Control brush around County owned bridges, intersections, yield signs and stop signs.
- Spray County-owned properties, (i.e. Fair grounds, Sheriff's Office shooting range, Road & Bridge yard).

Department's Alignment with County's Mission and Values

It is the mission of Harvey County to provide our citizens with beneficial, essential, public services in a professional, courteous and fiscally responsible manner.

Integrity - We are fair in all dealings with the public and businesses.

Respect - We have respect for all Individuals, Groups and Businesses.

Understanding - We have open communications and interactions with everyone.

Well-being - We harbor meaningful purposes through positive interactions.

Courtesy - We have integrity with respect through understanding by showing common courtesy to all individuals, groups and businesses.

Humor - We strive to have humor each day for a positive healthy environment in the workplace.

Harvey County 2024 Budget

Department

Solid Waste

Mission

To dispose of solid waste in the most economically and environmentally sound way that current regulations and resources allow. To always be looking for alternative methods of solid waste disposal in order to provide a more sustainable living environment in Harvey County. To provide services in a friendly, professional, cost effective manner.

Department/Program Information

The key purpose of the department is to provide a place for Harvey County residents to dispose of unwanted items. We are governed by the Kansas Department of Health and Environment (KDHE) who establishes guidelines as well as statutory regulations regarding what can and cannot be utilized as methods for solid waste disposal. We are also governed by the Environmental Protection Agency (EPA) who oversees water quality and protection of surface and groundwater. The list of statutes and regulations that apply to our service is extensive. There are very few items that cannot be disposed at or through our facility, which is a service not available in all counties of Kansas. Services include refuse disposal, construction and demolition disposal, composting, recycling, tire disposal, appliance disposal, metals disposal, household hazardous waste disposal, yard waste disposal, brush and limb disposal, as well as an avenue for disposal of special wastes including but not limited to asbestos.

2022 Accomplishments

- Refinished the floors in all buildings
- Purchased a new roll off container, semi and trash trailer
- Diverted over 973 tons of construction and demolition waste from the tipping floor preventing the higher cost of transporting to the Reno County landfill
- Diverted over 53 tons of metal from the tipping floor which was sold and recycled
- Diverted over 87 tons of metal from both the construction and demolition landfill and the public drop-off area which was sold and recycled
- Diverted over 38 tons of mattresses to the recycle program
- Passed all site inspections

2023 Goals/Objectives/Initiatives/Performance Measures

- Pass all site inspections
- Purchase evacuation equipment for refrigerant in appliances

- Continue replacement of old/worn out equipment
- Increase diverted tonnages
- Maintain a clean, safe work space
- Work to increase control of loose, blowing debris
- Purchase Heaters for the Recycle Shop
- Finalize the permit process and get approval for the construction and demolition center cell expansion

2024 Goals/Objectives/Initiatives/Performance Measures

- Pass all inspections
- Increase diverted tonnages
- Finalize our soil samples in our dirt cut area
- Continue the control of loose and blowing litter. Continue keeping weeds and brush controlled
- Continue upgrades on old and worn equipment

Department's Alignment with County's Mission and Values

It is the mission of Harvey County to provide our citizens with beneficial, essential, public services in a professional, courteous and fiscally responsible manner.

Integrity– Core to operations. Our honesty is not always the most popular response but we relay the truth in all circumstances.

Respect– We try very hard to treat everyone as we would want to be treated and recognize that we are not always right.

Understanding– Our goal is to listen first then try to respond with the other person's interest in mind, within the boundaries of regulations. Customer's needs can vary and we try to recognize that.

Well-being– We try to make all employees feel they are an important part of the whole process and what they do is appreciated.

Courtesy– Everyone is treated the same to show no partiality. No business is preferred to another because of internal alliance.

Humor– We strive to laugh at ourselves and situations but NEVER at the expense of someone else.

Harvey County – 2024 Budget

Department

Technology Fund – County Treasurer

Mission

The mission of the County Treasurer Technology Fund is to utilize the fund to its fullest extent, while remaining in compliance with KSA 28-181.

Department/Program Information

The primary purpose for the fund is to provide funds for purchasing technology. In 2023 the money was used to purchase a subscription to No Wait Inside to aid in setting driver's license appointments as well as vehicle and property tax appointments to help reduce lines in the hallway and foyer in the courthouse. In 2024 the money will be used to renew the No Wait Inside subscription to continue to offer appointments for customers that prefer it. The money will also be used to purchase each staff member a new printer and replace the check printer that has not been replaced since it was purchased I believe around 2017.

Harvey County – 2024 Budget

Department

Department on Aging Fund

Mission

To deliver quality services that sustains well-being and self-reliance.

Department/Program Information

The Department on Aging aims to support Harvey County residents over the age of 60 with the information and assistance necessary to maintain wellness and independence. The values guiding these efforts include respect and dignity for each individual, each person's right to self-determination, the importance of self-reliance and self-care, diversity, and advocacy.

2022 Accomplishments

There are seven Harvey County Department on Aging focus areas: 1-personnel, 2-administration, 3-IIIB Information and Assistance, 4-IIIE Caregiver Support, 5- RSVP (Retired Senior Volunteer Program), 6-Transportation, and 7-the Advisory Council on Aging. You will find each focus area's performance measurements and evaluations, with goals listed for each.

Personnel:

The Harvey County Department on Aging works to fulfill its mission with four full-time positions. The positions are Director, Program Specialist, RSVP Coordinator, Transportation Coordinator, one part-time office position, and four part-time drivers.

Mary Adams serves as RSVP Coordinator. Karen Kaufman serves as Transportation Coordinator. Christy Estrada serves as Program Specialist, and Lona Kelly serves as Director.

Administration:

The Harvey County Department on Aging has the following mission, vision, and goals. "Mission- to deliver quality services that sustain wellbeing and self-reliance. Vision- to support Harvey County residents over 60 with the information and assistance necessary to maintain wellness and independence. Values- Guiding our efforts: respect for individuals, the dignity of individuals, and each person's right to self-determination, the importance of self-reliance, self-care, and diversity."

To fulfill its mission, the Harvey County Department on Aging collaborates with the following agencies: Central Plains Area Agency on Aging, Kansas Department on Aging and Disability Services, Harvey County Commission, Department on Aging Advisory Council, Kansas Department of Health and Environment, Kansas Department of Transportation, area Home Health Care Agencies, Newton Police Department, Harvey County Sheriff, Harvey County Communications, Senior Housing, Long-Term Care and Assisted Living Facilities, the Corporation for National and Community Service, Mental Health Assoc. of South Central Kansas - Senior Companion Program,

Newton Meals on Wheels, Harvey County Senior Centers, Medical Services Bureau, Harvey County Extension Office/SHICK Program, Kansas Department for Children and Families, Harvey County Health Department, the Kansas Mental Health Association, Prairie View, National Association of Social Workers, Newton Recreation Commission, Newton Wellness Center, Hospice Services, NMC Health, Doctors and Staff of Harvey County, Sedgwick County Department on Aging, The American Red Cross, United Way, Salvation Army, Mid-Kansas Community Action Program, Independent Living Resource Center, Prairie Independent Living Resource Center, Cerebral Palsy Research Foundation, The Arthritis Foundation, Kansas Department of Health and Environment, Wichita State University, Newton Public Library, Hesston Wellness Center, Mid-Kansas Senior Center Association, Kansas Advocates for Better Care, Aging Projects Inc. and Newton YMCA.

Working through the Tri-County agreement and Central Plains Area Agency on Aging and Older Americans Act (OAA) programming, 699 unduplicated Harvey County citizens received program services totaling \$418,878 for 2022 (This includes the last quarter in 2021 and the first three quarters in 2022). The most significant portion of the services provided are under the OAA Nutrition program, serving 233 citizens 10,943 meals in a congregate program at one of the participating senior centers in Harvey County, and 434 citizens received 42,209 home-delivered meals either through one of the senior center sites or Newton Meals on Wheels. Other program areas saw a decrease in participation due to reluctance to utilize in-home services; however, we now see increased program requests for those programs.

III B Information and Assistance:

Our Information and Assistance Program offers referrals and information to callers using local and 800 phone numbers and Internet address links. For the 2022 calendar year, we assisted approximately 3,200 unduplicated persons with information, resources, and assistance. This represents a 58% increase above the 2021 calendar year.

Along with our "no wrong door" policy, we believe that no person should be "passed along" by instructing them to call another phone number. We believe that unless we are confident another agency can address the specific needs, we work to assist them ourselves.

III E Caregiver Support:

Our Caregiver Support programs provide caregivers assistance, information, and respite relief. In 2022, we supplied 539 caregivers with one-on-one assistance, and 14 unduplicated individuals received respite relief totaling 298 hours of service. In 2022 Aging, provide in-person information group presentations at Health & Safety Fairs seeing 734 persons and through the As We Age quarterly newsletter we shared caregiver information and education to 532 persons. Social media information posts on Facebook and Twitter reached 52,400 individuals during 2022, the most viewed post highlighted information on Interurban Transportation.

RSVP:

Harvey County RSVP provides volunteer opportunities for persons 55 and older. RSVP encourages active community participation by creating service opportunities, supporting volunteer service through recognition, and utilizing experience to serve the community's needs. In 2022, approximately 96 RSVP volunteers reported 11,428 hours of service, doing more than 45 different jobs in Harvey County. When computed at the value recommended by "IndependentSector.org," RSVP volunteer hours of 11,266 provided Harvey County a work value of \$307,070. Due to the ongoing Covid-19 pandemic, RSVP volunteers are slowly returning to serving in 2022; increasing the number of available volunteer opportunities.

Transportation:

The mission of Harvey Interurban is to operate a safe and practical transportation program under the federal USC 5311 guidelines while serving the residents of Harvey County. Its vision is for all transportation providers to integrate their efforts to meet needs. Harvey County continues to exceed all other contiguous counties in the range of services offered to our residence. During KDOT FY 22, Harvey County Transportation provided 8,045 trips for residents of Harvey County. Harvey Interurban drove 71,970 miles, providing 3,594 trips, primarily outside of Newton and out of the County. There were no social trips offered during this time. The Community funded Find-A-Way program Newton program providing 329 rides to 23 low-income individuals and the outlining County program provided 51 rides to nine (9) low-income individuals who otherwise would not be able to have reliable transportation for medical and grocery rides. For trips within Newton, a partnership with OT cab provided 4,451 trips.

Council on Aging:

The Harvey County Dept. on Aging Advisory Council (the Advisory Council) meets eight times per year. Four of their yearly meetings are "Provider meetings," in which recipients of Mill Levy Funds report on activities and progress in meeting Provider Standards goals. Current providers using Mill Levy Funds are Burrton Senior Center, Halstead Senior Center, Hesston Area Senior Center, Grand Central Senior Center (Newton), Sedgwick Senior Center, Mid-Kansas Senior Center Association, and two At Large programs, Newton Meals on Wheels, and Newton Public Library's ELITE. The Advisory Council met eight (8) times in 2022 with four (4) provider meetings.

Department's Alignment with County's Mission and Values

It is the mission of Harvey County to provide our citizens with beneficial, essential, public services in a professional, courteous and fiscally responsible manner.

Integrity: We are honest in our transactions and hold ourselves to high ethical standards providing only factual and verifiable information.

Respect: In our relationships with the citizens and staff we work with, we respect each individual's choice and self-determination.

Understanding: In our service to all citizens and staff, through active listening, we strive to meet each individual where they are at and provide available options to strengthen the individual's decision-making process

Well-being – We serve all citizens and staff with care and dignity.

Courtesy – We provide respectful, considerate service to all citizens.

Humor – While humor is not always acceptable while working with citizens and staff, the Department on Aging believes that appropriate, sensitive, and responsible humor can boost spirits, ease tension and depressurize an otherwise stressful day.

Harvey County – 2024 Budget

Department

Harvey County Transportation Fund

Mission

The mission of Harvey County Transportation is to operate a safe and practical transportation program under the federal U.S.C. 5311 guidelines while serving the residents of Harvey County.

Department/Program Information

Harvey County Transportation falls within the Harvey County Department on Aging. The vision is for all transportation providers to integrate to meet the transportation needs of Harvey County citizens. Harvey County Transportation joined with KDOT and its consultants in 2011 to provide service under a regionalized approach to transportation. Harvey County continues to exceed all other contiguous counties in its range of service. Service outcomes, community needs, and KDOT's regionalization of general public transportation determine future transportation services.

2022 Accomplishments

During KDOT FY 22, Harvey County Transportation provided 8,045 trips for residents of Harvey County. Harvey Interurban drove 71,970 miles, providing 3,594 trips, primarily outside of Newton and out of the County. There were no social trips offered during this time. The Community funded Find-A-Way program Newton program providing 329 rides to 23 low-income individuals and the outlining County program provided 51 rides to nine (9) low-income individuals who otherwise would not be able to have reliable transportation for medical and grocery rides. For trips within Newton, a partnership with OT cab provided 4,451 trips.

2023 Goals/Objectives/Initiatives/Performance Measures

- Strengthen transportation for access to health care, nutrition, and other services through stakeholder collaboration
- Participate in the KDOT regionalization process conversations and support the new position of Mobility Manager
- Continue to explore transportation subsidy programs for low-income individuals
- Maintain six part-time drivers as dictated by ridership

2024 Goals/Objectives/Initiatives/Performance Measures

- Strengthen transportation for access to health care, nutrition, and other services through stakeholder collaboration

- Participate in the KDOT regionalization process conversations and support the new position of Mobility Manager
- Maintain six part-time drivers as dictated by ridership
- Monitor and evaluate Non-Emergency Medical Transportation programs for low-income individuals for possible expansion

Department's Alignment with County's Mission and Values

It is the mission of Harvey County to provide our citizens with beneficial, essential, public services in a professional, courteous and fiscally responsible manner.

Integrity: We are honest in our transactions and hold ourselves to high ethical standards providing only factual and verifiable information.

Respect: In our relationships with the citizens and staff we work with, we respect each individual's choice and self-determination.

Understanding: In our service to all citizens and staff, through active listening, we strive to meet each individual where they are at and provide available options to strengthen the individual's decision-making process

Well-being – We serve all citizens and staff with care and dignity.

Courtesy – We provide respectful, considerate service to all citizens.

Humor – While humor is not always acceptable while working with citizens and staff, the Department on Aging believes that appropriate, sensitive, and responsible humor can boost spirits, ease tension and depressurize an otherwise stressful day.

Harvey County – 2024 Budget

Department

Diversion Fund

Mission

The mission for the Diversion Program is to supervise a defendant in a criminal, juvenile, or traffic case, and ensure that person meets certain conditions and/or terms in order for their case to be successfully dismissed. This in turn will help reduce the burden placed on the judicial system in Harvey County and promote offender reformation.

Department/Program Information

The purpose of the Diversion Program is to reduce the burden on the Harvey County Judicial System, and give defendants the opportunity to have charges brought against them dismissed while promoting offender reformation and reducing recidivism.

The Diversion Fund also serves as the collection fund for revenues collected by the Harvey County Attorney's diversion programs. Excess diversion funds are in turn used to support law enforcement and crime prevention programs in the community.

Road Impact Fee Fund

Department/Program Information

The Road Impact Fee Fund was created in 2000 and serves as the collection fund for the Harvey County Road Impact Fee. By resolution, Harvey County assesses a road impact fee on new development in its unincorporated areas. All fees collected are utilized solely and exclusively for improvements to County maintained and/or township maintained roads which are found by the County to be impacted by the new development. Exemptions to this fee are public or quasi-public developments, residential developments with entrances or access roads onto improved paved roads, and any instance where the Harvey County Board of County Commissioners makes an exemption due to unique circumstances.

CIP Overview

In 2012, Harvey County began a formal capital improvement program in an effort to begin strategically planning for capital purchases required to meet the mission and goals of the organization. The capital improvement program (CIP) is a 5-year plan used to identify capital projects and equipment purchases, provide a planning schedule for purchase, and identify all funding options available.

The CIP is comprehensive and organization-wide to ensure projected capital expenditures are being planned for in current or future budget years. A longer range of improvements beyond the five years is considered throughout the process, but are not typically documented within the CIP. It is important to understand that the CIP is a planning tool. It is a program in constant process, developed to change with the needs and desires of the citizens of Harvey County.

CIP Funding

The CIP is funded on a yearly basis with annual operating revenues from property tax, sales tax, liquor tax, gasoline tax, as well as special assessments, enterprise fund revenue, and issuance of bonds. Bonds are repaid with debt service payments over a period of years not longer than the useful life of the improvement.

The CIP Process

Projects that are placed in the CIP are typically irregular, one time expenditures. Most involve road improvements, bridge replacements, construction, remodeling, and new pieces of equipment the County doesn't currently own and plans to purchase. For example, remodeling a jury room in the Courthouse and purchasing new display equipment for the Emergency Operations Center are both CIP projects. The jury room is an example of a remodeling project requiring construction and the display equipment is an example of new pieces of equipment being acquired that are not replacing any existing equipment.

CIP Timeline

The CIP process begins in February at a department head meeting. This meeting is known as the CIP kick-off, as it marks the beginning of the formal CIP process by laying out the guidelines for the upcoming fiscal year and reviewing the CIP submission documents. Following the CIP kick-off, department heads have until mid-March to complete and submit their CIP forms, which define capital expenditure priorities for the next five years.

Following the submittal of these CIP forms, Administration prepares a list of potential projects generated from the forms submitted by department heads. In May and June, budget meetings and hearings begin. Each department head or agency representative meets with Administration for a review of their budget and CIP requests prior to presenting to the Board of County Commissioners. During the Commissioners' budget hearings, department heads present their CIP requests for the upcoming five years.

In June, the County Commissioners and Administration conduct a budget workshop where all CIP items during that 5-year plan are analyzed. It is during this budget workshop that County Commissioners provide input on whether to add, eliminate, or simply move items to another year based on a number of factors, such as: citizen input, department and/or development need, funding, staff input and outside agency desires. A tentative 5-year plan is then integrated into the development of the annual operating budget.

An additional meeting is held to discuss the CIP and operating budget in mid-June. The maximum mill-levy is then set and the budget is published as required by the State of Kansas budget laws. Following the publication of the notice of hearing and revenue neutral rate, a public hearing for the operating budget and CIP is held along with a revenue neutral rate hearing, if revenues exceed the rate set by the County Clerk. The County Commission then makes any final changes and must adopt a final budget on or before August 25th. If the budget exceeds the tax revenue

2024-2028 CIP and Equipment Replacement

neutral rate, the County has until October 1st to adopt the budget and submit it to the County Clerk.

Equipment Replacement Plan

Harvey County also has an Equipment Replacement Plan. The current criterion for an item to be placed in this plan is if it has a known lifespan of more than one year and is scheduled to be replaced routinely. These items are typically over \$500, but tend not to cost as much as items listed in the CIP. One example is the

replacement of a Sheriff Office patrol vehicle. These patrol vehicles typically have a lifespan of 3-years. Following that 3-year period, they are replaced with a new patrol vehicle. Planning to replace equipment on a regular cycle reduces operating budget fluctuations and allows Harvey County to anticipate equipment replacement needs into the future. This helps ensure we are stewarding taxpayer's funds wisely and providing complete transparency on equipment needs and planned equipment purchases.

CIP Project: Human Resource Information System Software

Requestor/Title/Department: Anthony Swartzendruber / County Administrator/ Administration

Project Description

1) **Location:** 800 N. Main St.

2) **Scope of Work to be Performed:**

The scope of work for the HRIS project includes the following functionalities and modules: HR (e.g. Compliance), Personnel tracking (e.g. Centralized employee data), Benefits Administration, Payroll, Time and Attendance (e.g. Scheduling, Time tracking), Talent Acquisition (e.g. Recruiting, Onboarding), Talent Management (e.g. Performance, Skills Development, Training), Employee

3) **Project Need/Justification:**

An all-in-one HRIS eliminates many administrative tasks and streamlines processes, giving the County greater efficiency through automation and additional convenience through centralized digital storage for documents and data. An HRIS will allow staff to step back from manual administrative work, providing time to focus on improving the employee experience. Entities who prioritize employee experience have higher productivity, resilience, growth, safety and retention (Gallup). An HRIS eliminates the need for multiple systems and paper files, making it much easier to securely keep data accurate, control access, and compile reports. HR/payroll makes the heaviest use of an HRIS, but employees also interact with HR software whenever they clock in and out, check their pay stubs, manage their benefits, etc. With sensitive information protected through an HRIS and an easily accessible central data hub, possibilities open up for employees and managers to handle their own HR needs, such as enrolling for benefits online.

4) **Briefly, what are the consequences of delaying or not doing the project?**

Much time is currently spent filing documents; photocopying/printing papers; getting paperwork filled out and signed by employees, supervisors, and candidates; updating paperwork/spreadsheets; finding paperwork or files; pulling information for requests; compiling information for reports; onboarding new hires with a paper system; transferring data to and from systems, etc. An HRIS would help us have the proper tools to engage strategically with our changing workforce.

5) **Briefly describe project impact on the operating budget:**

There will be an ongoing annual impact on the operating budget, as the software requires annual licensing based on the number of employees.

CIP Project: Countywide Aerial Photography

Requestor/Title/Department: Anthony Swartzendruber / County Administrator/ Administration

Project Description

1) **Location:** 800 N. Main St.

2) **Scope of Work to be Performed:**

This project updates the County's aerial photography were last flown in 2021. Flights were flown to document changes in construction and enhance the pictometry imaging, as well as improvements for GIS. To keep information updated, we will need to be consistent at funding future flights.

3) **Project Need/Justification:**

This photography is the foundation for our base maps used for the county and other government offices and private companies. The photography is essential in allowing us to determine ownership of structures when the photography is used along with ownership parcel lines. This imagery benefits GIS, PZE, Appraiser, Administration, and all public safety agencies in the county. Future flights will be needed as we move forward with consistently updating the images.

4) **Briefly, what are the consequences of delaying or not doing the project?**

Without flights every 3 years, departments will not have the information necessary to before their respective work.

5) **Briefly describe project impact on the operating budget:**

There is no significant impact on the operating budget anticipated.

CIP Project: Replace Seating (Gallery, Jury Box, Witness Stand) in Courtrooms 1 and 2

Requestor/Title/Department: Jennifer Foster/ Court Administrator/ District Court

Project Description

1) Location: 800 N. Main St.

2) Scope of Work to be Performed:

Remove and replace seating in the gallery, jury box and witness stand in courtroom 1 with new ergonomic, durable, and cleanable seating. This project will complete the second and final year of a requested two year capital improvement project

3) Project Need/Justification:

Seating in the courtrooms appear to be the original seating from the mid 1960's. Seating is aged and showing signs of distress. Seats are narrow, backs are soiled, leather is wearing, some are torn exposing padding, and many have seams that are fraying. Seat bottoms have given way in the past requiring repair and/or are damaged beyond repair making them unusable. Chair foundations are weakening and appear unstable, specifically in the jury box. Today's technology allows ergonomic seating making extended sitting times more comfortable and accommodating for a wide range of people. Upgrading seating in the courtrooms provides the opportunity to better utilize space and accommodate the needs of the public and jurors. This is a capital improvement project that will benefit the county and court for years to come

4) Briefly, what are the consequences of delaying or not doing the project?

Seating will continue to deteriorate and result in increased need for maintenance. May result in failure resulting in the risk of injury to person(s).

5) Briefly describe project impact on the operating budget:

There is no anticipated impact on the court's operating budget.

CIP Project: **Body Worn Cameras/ In car Cameras**

Requestor/Title/Department: Chad Gay, Sheriff

Project Description

1) Location: 800 N Main

2) Scope of Work to be Performed:

Replace existing body worn cameras and in car cameras for the Patrol Division.

3) Project Need/Justification:

After investing heavily in our in car/body cameras for the last 10 years, we were notified that the vendor was bought out. Meaning, all of our existing equipment was obsolete and would not be supported by the new vendor. We began research into new vendors/equipment and have discovered that most vendors are moving to a 5 year contract instead of a stand alone system. They are also moving to a cloud based evidence library instead of a stand alone system like we currently use. I believe that our citizens and courts expect us to utilize in car/body cameras for transparency/ evidence gathering. These tools are necessary in all Law Enforcement Operations in todays climate.

4) Briefly, what are the consequences of delaying or not doing the project?

By delaying this project we run the risk of having equipment fail and no technical support/help for our existing equipment. Our only option is to move forward with this type structured agreement with camera vendors.

5) Briefly describe project impact on the operating budget:

There will be an ongoing contractual cost on the operating budget.

CIP Project: **Replace Raised Computer Floor**

Requestor/Title/Department: Don Gruver, Director of Communications

Project Description

1) Location: 120 East 7th St

2) Scope of Work to be Performed:

Replace metal plate raised computer floor and carpet tiles in Dispatch.

3) Project Need/Justification:

The current computer floor was installed in 1997 when the County acquired the building and created the Communications Center. Recently we discovered the metal panels in our primary walkway coming to/from the Center were beginning to fail by bending up on the corners that rest on the pedestals, and one employee actually fell through the floor (not injured). I found some replacement panels but they aren't an exact fit, and would cost \$1,000 for 10. I contacted a company in Kansas City who Sedgwick County uses and they gave me a quote for 20 panels for \$995. If we reaplce the whole floor in Dispatch, that will take 180 panels (that is full panels, does not include partial edge panels along 2 walls).

4) Briefly, what are the consequences of delaying or not doing the project?

Continued failure of the metal panels and possible injury to staff.

5) Briefly describe project impact on the operating budget:

None. This is not a 911 allowable expense.

Harvey County Capital Improvement Program

CIP Project: Radio Coverage Enhancement - East Lake

Requestor/Title/Department: Don Gruver, Director of Communications

Project Description

1) **Location:** 314 N East Lake Rd

2) **Scope of Work to be Performed:**

Add a Digital Vehicular Repeater System (DVRS) to improve radio coverage for the Park Rangers at East Lake.

3) **Project Need/Justification:**

Currently the simulcast trunked system does not cover East Lake very well. Personnel on portables have very poor coverage, especially inside buildings. We explored putting a 4th site on the tower at the old bait shop, which would help all users on the system (Parks, Sheriff, Fire, EMS, Road & Bridge), but that was deemed too expensive. As the primary issue is with the day-to-day operations for the Park staff, the only other option is to place a DVRS, basically a small repeater which would take a conventional signal from the radios and patch it over to the trunked system on that one channel. A demo unit has been tested and provided coverage to the entire Lake grounds and immediate surrounding area.

4) **Briefly, what are the consequences of delaying or not doing the project?**

Continued lack of portable radio coverage for Parks staff at East Lake. They cannot rely on mobile radios as they are very often away from their trucks and on foot or inside structures.

5) **Briefly describe project impact on the operating budget:**

Minimal additional electricity increase at that site.

CIP Project: **Video Wall**

Requestor/Title/Department: Don Gruver/ Director/ 911 Communications

Project Description

1) Location: Communications Center

2) Scope of Work to be Performed:

Replace existing monitors on north wall of the dispatch center with an integrated professional video wall.

3) Project Need/Justification:

Currently we have 2 CCTV monitors, cable TV, and 2 computer monitors for radar and daily bulletin on a homemade mount, all small screens that are not clearly visible from the supervisor and backup consoles. At the same time we do the console upgrades, or immediately after, we would like to upgrade this to a professional setup with larger individual displays that are easily visible from all consoles. It would have multiple inputs for existing functions as well as adding active CAD calls, alarm monitoring, Newton PD GPS Fleet Tracking, and consider future needs. Our intent is that this would be a large media display covering most of the north wall to provide all positions at-a-glance status and situational awareness displays. Depending on the system selected, we may need to update the four 25-year-old LEC CCTV cameras to integrate into the new system. This is figured in.

4) Briefly, what are the consequences of delaying or not doing the project?

Continuing to use the existing five 19" monitors with limited capabilities and visibility from across the room where the supervisors are stationed.

5) Briefly describe project impact on the operating budget:

The only impact on the operating budget would be monitor replacement which would be computed once the system is bid out and installed and we know what replacement costs will be in future years (assuming monitors last an average of 3 years).

CIP Project: Shower House

Requestor/Title/Department: Kass Miller/Parks Director/Parks & Recreation

Project Description

1) **Location:** West Park, 2731 West Park Rd, Burrton KS.

2) **Scope of Work to be Performed:**

Replace the current lake side shower house/restroom facility with a new structure that can also serve as better hazardous weather protection for our patrons. Similar to what we have on the Walnut Grove Side. This was last approved in the 2022-2027 budget for 2022. It was postponed due to cost increases and taken to the commission for approval to include it in 2024.

3) **Project Need/Justification:**

The shower house/restroom facility by the swim beach at West Park, on the lake side of the park, is deteriorating, requires constant maintenance, and is becoming unsafe for patrons. By replacing the facility with a more modern, and efficient structure it will be able to better serve more park patrons, with less maintenance and will be dual purposed: A more attractive, larger and safer shower house/restroom, and more appropriate hazardous weather protection.

4) **Briefly, what are the consequences of delaying or not doing the project?**

Eventually the facility will become unusable. This will discourage park attendance.

5) **Briefly describe project impact on the operating budget:**

There is no significant impact on the operating budget anticipated.

Requestor/Title/Department: Kass Miller/ Parks Director/ Parks & Recreation

Project Description

1) **Location:** East Park, 314 N. East Lake Rd., Newton, KS.

2) **Scope of Work to be Performed:**

Replace all existing fishing/boating docks at Harvey County East Park, including two boat ramp docks, and two fishing/boat docks.

3) **Project Need/Justification:**

Current docks are becoming cracked and damaged. This is resulting in docks becoming less stable. Some sections are even beginning to sink.

4) **Briefly, what are the consequences of delaying or not doing the project?**

Sections will have to be removed and eliminated. This will result in a smaller/fewer access points for fishing and boating.

5) **Briefly describe project impact on the operating budget:**

There is no significant impact on the operating budget anticipated.

Requestor/Title/Department: Kass Miller/ Parks Director/ Parks & Recreation

Project Description

1) **Location:** East Park, 314 N. East Lake Rd., Newton, KS.

2) **Scope of Work to be Performed:**

Replace all the windows and doors with more energy efficient products.

3) **Project Need/Justification:**

Current windows are single pane. They don't offer any insulation and not much security. Replacing the windows with insulating low-e models will help reduce utility costs, add security, and help create a more comfortable working environment. Current doors are not insulated at all are beginning to wear out. New doors would add security and insulation.

4) **Briefly, what are the consequences of delaying or not doing the project?**

Utility cost will continue to be high, door will become a potential security concern.

5) **Briefly describe project impact on the operating budget:**

There is no significant impact on the operating budget anticipated.

Requestor/Title/Department: Kass Miller/ Parks Director/ Parks & Recreation

Project Description

1) **Location:** East Park, 314 N. East Lake Road, Newton, KS.

2) **Scope of Work to be Performed:**
 Replace playground equipment at Willow Bend.

3) **Project Need/Justification:**
 The current playground equipment is very old. The equipment is metal and get very hot in the Kansas sun. It needs to be replaced with new playground equipment. The new equipment will accommodate all play styles and will also include a safe play surface and will be accessible for everyone.

4) **Briefly, what are the consequences of delaying or not doing the project?**
 More risk of injury. Current equipment is not accessible to all park visitors and does not accommodate all play styles. Further delay will see potentially higher replacement costs.

5) **Briefly describe project impact on the operating budget:**
 There is no significant impact on the operating budget anticipated.

Harvey County Capital Improvement Program

CIP Project: Willow Bend Boat Ramp

Requestor/Title/Department: Kass Miller/Parks Director/Parks & Recreation

Project Description

1) **Location:** East Park, 314 N. East Lake Rd., Newton, KS.

2) **Scope of Work to be Performed:**

Replace/repair the existing boat ramp in the Willow Bend area of Harvey County East Park.

3) **Project Need/Justification:**

The current boat ramp in the Willow Bend area is severely deteriorated. The earth under the end of the concrete ramp has washed out, creating a gap between the concrete and the bottom of the lake. This has caused boat trailers to drop off the end of the ramp and become stuck, potentially damaging boat trailers and tow vehicles. This is especially prevalent during low lake levels. Sections of the concrete have begun to break off as well.

4) **Briefly, what are the consequences of delaying or not doing the project?**

The boat ramp will have to be closed to prevent property damage.

5) **Briefly describe project impact on the operating budget:**

There is no significant impact on the operating budget anticipated.

Requestor/Title/Department: Kass Miller/ Parks Director/ Parks & Recreation

Project Description

1) **Location:** East Park, 314 N. East Lake Rd., Newton, KS.

2) **Scope of Work to be Performed:**

Build shower facilities on the Blue Stem side of East Park.

3) **Project Need/Justification:**

We are starting to see more use and development of the Blue Stem area of East Park. Currently, there is a restroom facility but it does not have showers.

4) **Briefly, what are the consequences of delaying or not doing the project?**

Growth will be slowed due to lack of accommodations.

5) **Briefly describe project impact on the operating budget:**

Rural water utility bill would increase with the additional usage.

CIP Project: **Dam Inspection**

Requestor/Title/Department: Kass Miller/Parks Director/Parks & Recreation

Project Description

1) Location: East Park, 314 N. East Lake Rd., Newton, KS.

2) Scope of Work to be Performed:

We must hire a certified engineer to conduct an inspection of the East Park dam.

3) Project Need/Justification:

The inspection is required by the state every 5 years.

4) Briefly, what are the consequences of delaying or not doing the project?

We could potentially be fined by the state.

5) Briefly describe project impact on the operating budget:

There is no significant impact on the operating budget anticipated.

CIP Project: **Tire Changer**

Requestor/Title/Department: Kass Miller/ Parks Director/ Parks & Recreation

Project Description

1) **Location:** East Park, 314 N. East Lake Rd., Newton, KS.

2) **Scope of Work to be Performed:**

Purchase a tire changer and balancer for the Parks Department shop.

3) **Project Need/Justification:**

Park vehicles and equipment often get flats. To properly repair the flats, vehicles or tires and rims are taken into town to be repaired. Having the machinery would help save time from employees having to go back and forth to drop the flat off and pick it up and time from vehicle/equipment being out of operation while flat is being repaired. It would save money by preventing us from paying an outside shop to make such repairs. A balancer would allow us to better maintain park vehicles and equipment. Helping to prevent premature tire wear.

4) **Briefly, what are the consequences of delaying or not doing the project?**

No long term consequences other than continuing with our current limitations.

5) **Briefly describe project impact on the operating budget:**

There is no significant impact on the operating budget anticipated.

CIP Project: Covered Pavilion & Pergola Area

Requestor/Title/Department: Kass Miller/ Parks Director/ Parks & Recreation

Project Description

1) **Location:** West Park, 2731 West Park Road, Burrton, KS

2) **Scope of Work to be Performed:**

Build a 16' X 28' covered patio/pavilion and pergola structure on the concrete slab in the south loop of West Park.

3) **Project Need/Justification:**

This area of the park is currently under utilized. This would help us further develop this space. It would encourage group gatherings and more camping in the area. The facility would also be a good space to gather for educational programs.

4) **Briefly, what are the consequences of delaying or not doing the project?**

CIP Project: Picnic Table Shade Structures

Requestor/Title/Department: Kass Miller/ Parks Director/ Parks & Recreation

Project Description

1) **Location:** East Park, 314 N. East Lake Rd., Newton, KS.

2) **Scope of Work to be Performed:**

Build approximately 20 permanent picnic table shade structures to provide sun protection at picnic tables for individual camping pads.

3) **Project Need/Justification:**

There are many picnic tables at individual camping pads that do not have natural shade. This would provide more immediate sun protection for campers, providing a more attractive and comfortable camping area. Waiting for natural shade protection from planting trees would take decades to accomplish.

4) **Briefly, what are the consequences of delaying or not doing the project?**

No long-term consequences other than continuing with our current limitations.

Requestor/Title/Department: Kass Miller/ Parks Director/ Parks & Recreation

Project Description

1) **Location:** East Park, 314 N. East Lake Rd., Newton, KS.

2) **Scope of Work to be Performed:**

Install a heated and enclosed fishing dock on Harvey County East Lake.

3) **Project Need/Justification:**

Winter is a difficult time for fisherman but can be the most productive. A heated fishing dock would allow fisherman to fish year round, out of the elements. It would also provide an excellent facility to hold fishing clinics.

4) **Briefly, what are the consequences of delaying or not doing the project?**

No long-term consequences other than continuing with our current limitations.

5) **Briefly describe project impact on the operating budget:**

Harvey County Capital Improvement Program

CIP Project: **Replace Playground Equipment**

Requestor/Title/Department: Kass Miller/ Parks Director/ Parks & Recreation

Project Description

1) Location: West Park, 2511 West Park Road, Burrton, KS.

2) Scope of Work to be Performed:

We would like to retire the current, dated, playground equipment at Harvey County West Park and construct a single, significantly improved and bigger playground area.

3) Project Need/Justification:

In previous years we had a Capital Improvement budget to replace some of the playgrounds throughout the parks. Due to a priority shift those budgets were redirected to the construction of the new Bait Shop at Harvey County East Park. Because of this, the playgrounds have not been replaced. All of the current playground equipment and play surface is very old. The equipment is metal and gets very hot in the Kansas sun and the play surface does not provide much fall protection. It all needs to be replaced with new, safer and inclusive playground equipment and play surface. The new equipment will accommodate all play styles and will also include a safe play surface. It will be accessible by everyone.

4) Briefly, what are the consequences of delaying or not doing the project?

Increased risk of injury. Not accessible to all visitors in the park.

5) Briefly describe project impact on the operating budget:

There is no significant impact on the operating budget anticipated.

CIP Project: Camping and Shelter Grills - East Park

Requestor/Title/Department: Kass Miller/Parks Director/Parks & Recreation

Project Description

1) Location: East Park, 314 N. East Lake Rd., Newton, KS.

2) Scope of Work to be Performed:

Add a small charcoal grill to each camping pad and a larger, group grill, to each open and enclosed shelter.

3) Project Need/Justification:

An amenity that the park is missing is an outdoor cooking surface at each of the camping pads and at all of the enclosed shelters. Some of the open shelters have group grills. These grills have rusted through and been patched many times. They are no longer repairable and will have to be completely retired in the near future. There is also a small picnic area in Campers Row that has 4 individual grills that are no longer useable.

4) Briefly, what are the consequences of delaying or not doing the project?

All remaining grills will have to be permanently removed, entirely eliminating an amenity within the parks.

5) Briefly describe project impact on the operating budget:

There is no significant impact on the operating budget anticipated.

CIP Project: Camping and Shelter Grills - West Park

Requestor/Title/Department: Kass Miller/Parks Director/Parks & Recreation

Project Description

1) Location: West Park, 2733 West Park Rd., Burrton, KS.

2) Scope of Work to be Performed:

Add a small charcoal grill to each camping pad and a larger, group grill, to each open and enclosed shelter.

3) Project Need/Justification:

An amenity that the park is missing is an outdoor cooking surface at each of the camping pads and at all of the enclosed shelters. Two of the three open shelters have good grills. The third open shelter will need a grill placed at the location.

4) Briefly, what are the consequences of delaying or not doing the project?

Grills at the park is a missing amenity that is often requested. A missing amenity such as an outdoor cooking surface could be the deciding factor of whether or not to utilize the camp grounds or the shelters.

2) **Scope of Work to be Performed:**

New surface treatments for the roads listed above, ranging from chip seals to overlays.

3) **Project Need/Justification:**

Our current Pavement Management Plan for our 164.71 miles of paved roads requires we address 23 miles per year. These miles will most often be divided between overlays and bituminous seals.

4) **Briefly, what are the consequences of delaying or not doing the project?**

Continued deterioration of the road surface, as well as potentially the base, ultimately resulting in more costly repairs in the future.

CIP Project: RCB Replacement Program 1

Requestor/Title/Department: Jim Meier / Director / Road & Bridge

Project Description

1) Location: Bridge D-8.7 (SW 72nd, 0.7 mile east of S. Golden Prairie); Culverts 4-Q.4 (N. Prairie Lake Rd., 0.4 mile north of W. Dutch; 15-J.9 (N. Emma Creek Rd., 0.1 mile south of NW 12th)

2) Scope of Work to be Performed:

These were scheduled for replacement in 2023, but estimates were too low, and bids came in too high. Contracted project. Remove and replace 3 deficient structures with reinforced concrete boxes. These require waterway openings in excess of what culvert pipes provide.

3) Project Need/Justification:

Permits, surveys, design, easement acquisition, and utility relocation have all been completed for these. 4-Q.4 is a timber and steel culvert in very poor condition. It's construction was of poor quality. D-8.7 is a 23' long concrete slab built in 1920. It is currently #5 on our Bridge Priority list of bridges under 50' in length. 15-J.9 is a pair of 6' x 4' culvert pipes providing a waterway opening of 36 sq. ft. Upstream 1 mile is an RCB built in 2017 with a waterway opening of 180 sq. ft.

4) Briefly, what are the consequences of delaying or not doing the project?

Continued deterioration; failure; reduced load rating; risk to public welfare; road closure. Given the great number of culverts we own, a more aggressive approach in structure replacement is needed to provide safe roadways.

5) Briefly describe project impact on the operating budget:

There will be an impact to the operating budget.

Requestor/Title/Department: Jim Meier/ Superintendent/ Road & Bridge

Project Description

1) **Location:** N. Harvest Hill, 0.8 mile south of E. 1st

2) **Scope of Work to be Performed:**

Replacement of single span, 23' long concrete bridge built in 1920.

3) **Project Need/Justification:**

It is currently #1 on our Bridge Priority list and is load rated 5 tons. Bridges less than 3 must be closed. This bridge replacement will be contracted out, with inspection done in-house.

4) **Briefly, what are the consequences of delaying or not doing the project?**

Continued deterioration; failure; reduced load rating; risk to public welfare; road closure.

CIP Project: **Concrete Bridge Deck Repair**

Requestor/Title/Department: Jim Meier/ Superintendent/ Road & Bridge

Project Description

- 1) **Location:** Bridge P-16.7 (NW 72nd, 0.16 miles East of Hesston Rd.)
 Bridge 7-N.8 (N. River Park, 0.8 miles North of NW 48th)

2) **Scope of Work to be Performed:**

Identify and remove delaminated deck concrete; sandblast surface and re-steel, replace steel where necessary, and replace concrete.

3) **Project Need/Justification:**

Delaminated deck concrete allows water and contaminants to rust and corrode reinforcing steel, which can compromise structure strengths shortening life of bridge. Freezing and thawing along with traffic wear causes continued loss of concrete surfaces. Steel is the strength of the bridge, and concrete protects it.

4) **Briefly, what are the consequences of delaying or not doing the project?**

Continued spalling of concrete, deterioration of reinforcement, shortened life of bridge.

5) **Briefly describe project impact on the operating budget:**

CIP Project: **Shot-Crete Project**

Requestor/Title/Department: Jim Meier / Director / Road & Bridge

Project Description

1) Location: Bridge Q-13.5 (W. Dutch, 0.5 mile east of N. Essex Heights); Bridge 3-O.7
 (N. Burmac, 0.3 mile south of NW 72nd)

2) Scope of Work to be Performed:

Contracted project; sand-blast corroded rebar, remove delaminated concrete, apply sprayed-on concrete grout. This a cementitious material similar to that used for swimming pools.

3) Project Need/Justification:

These bridges have experienced concrete section loss due to long term exposure to the corrosiveness of salt, as well as freezing and thawing effects. Rebar on the underneath side of these decks have been exposed causing rusting, and in some places sag due to the section loss of concrete. The strength of bridges is in the rebar. These bars need to be "pinned" in place to preserve their intended purpose. Concrete only holds it in place and protects the steel from corrosion.

This work was recommended by our retained engineering firm during their Biennial Bridge Inspection.

4) Briefly, what are the consequences of delaying or not doing the project?

Continued corrosion of re-steel. Neglect will result in continued loss of concrete ultimately causing re-steel to fall from the structure. County crews are working now to pin the rebar in place, but do not have the ability to apply shot-crete.

5) Briefly describe project impact on the operating budget:

There is no significant impact on the operating budget anticipated.

CIP Project: RCB Replacement Program 2

Requestor/Title/Department: Jim Meier / Director / Road & Bridge

Project Description

1) Location: 10-R.6 located on N. Old Settlers, J-11.9 located on W. 1st, 18-Q.1 located on N. West Rd., and B-19.8 located on SW 84th

2) Scope of Work to be Performed:

Contracted project. Remove and replace 4 dilapidated culverts with reinforced concrete boxes. These require waterway openings in excess of what culvert pipes provide.

3) Project Need/Justification:

These structures are not bridge length (spans under 20 feet), therefore not eligible for bridge program funding assistance. These are timber, rated 2 to 3 on a scale of 1 to 9 in condition, and are showing significant deterioration including support piling that have completely rotted away. Our 2023 Culvert Inspection Report shows these structures are the very worst among our 822 culverts in the county.

4) Briefly, what are the consequences of delaying or not doing the project?

Continued deterioration; failure; reduced load rating; risk to public welfare; road closure. Given the great number of culverts we own, a more aggressive approach in structure replacement is needed to provide safe roadways.

5) Briefly describe project impact on the operating budget:

There will be an impact to the operating budget.

CIP Project: G-23.6 Bridge Replacement

Requestor/Title/Department: Jim Meier/ Superintendent/ Road & Bridge

Project Description

1) **Location:** SE 36th, 0.6 mile east of S. Hillside

2) **Scope of Work to be Performed:**

Removal and replacement of 82' long 3 span concrete slab built in 1952.

3) **Project Need/Justification:**

SE 36th from S. Spencer to S. Osage is a Harvey County road which has 3 structures along it's route which are currently tied at #2 on our Bridge Priority list of structures under 50' in length. This one is part of a concerted effort to improve the entire route. This project was submitted to be considered for the Kansas Local Bridge Improvement (KLBI) Program to be built in 2023, but was not selected by the state.

CIP Project: O-22.6 Bridge Replacement

Requestor/Title/Department: Jim Meier/ Superintendent/ Road & Bridge

Project Description

1) **Location:** NE 60th, 0.6 mile east of N. Spencer

2) **Scope of Work to be Performed:**

Replacement of 3 span, 93' long concrete bridge built in 1952. This bridge replacement will be contracted out, with inspection done in-house.

3) **Project Need/Justification:**

This bridge presently ranks #4 on our replacement priority list. NE 60th is a Major Collector connecting Hwy 50 to K-15, and as such carries many heavy trucks. It is one of two along that route which have prevented from being utilized in the past by KDOT as a detour for Hwy 50 construction.

4) **Briefly, what are the consequences of delaying or not doing the project?**

Continued deterioration; failure; reduced load rating; risk to public welfare; road closure.

CIP Project: **New Road & Bridge/Noxious Weed Shop Complex**

Requestor/Title/Department: Jim Meier/ Superintendent/ Road & Bridge

Project Description

1) **Location:** To Be Determined

2) **Scope of Work to be Performed:**

Construction of a new Road & Bridge facility, including maintenance shop, offices, equipment storage units, stockpile sites, weld & sign shops, and a new Noxious Weed facility. The location will be on a different site, as the present one is too small.

3) **Project Need/Justification:**

Equipment is too long to fit inside maintenance bays, allowing only inches on either end. Present building was built in 1935, and shows signs of structural deterioration along masonry vertical supports; energy inefficient; settling of building has jammed doors and broken window; poor drainage from around building, and water comes in offices and maintenance shop when it rains causing interior damage; water has caused exterior damage to building; unsafe method of installing salt spreaders; insufficient shelter for equipment; insufficient room for equipment maintenance; frequent septic system issues; freezing water lines upstairs; insufficient lot size for expansion or new construction.

4) **Briefly, what are the consequences of delaying or not doing the project?**

Continued deterioration of 87 year old building; continued high maintenance and high utility bills; aged electrical system is potential hazard; poor facility to retain or attract new employees; poor public image.

5) **Briefly describe project impact on the operating budget:**

There will be an impact to the Road & Bridge operational budget for 2025.

Requestor/Title/Department: Jim Meier/ Superintendent/ Road & Bridge

Project Description

1) **Location:** S. East Lake Rd., 0.7 mile north of SE 125th

2) **Scope of Work to be Performed:**

Replacement of structurally deficient 3 span, 143' long concrete bridge built in 1952.

3) **Project Need/Justification:**

It is currently #2 on our Bridge Priority list, and the Inventory Load Rating is 5 tons. Bridges less than 3 must be closed. This bridge replacement will be contracted out, with inspection done in-house. S. East Lake Rd. is a paved route from the Sedgwick County line to K-196, and is Greenwich in Sedgwick County.

CIP Project: Dispatch Console Furniture and Additional 911 Phone

Requestor/Title/Department: Don Gruver, Director of Communications

Project Description

1) **Location:** 120 East 7th Street

2) **Scope of Work to be Performed:**

Update or replace the existing sit/stand consoles, add a 6th position (moving it from the back room out to the main Dispatch floor), including a full-function 9-1-1 phone, and reconfigure to fit within the space provided.

3) **Project Need/Justification:**

The current consoles were installed in 2010 and are reaching end of life. Xybix (current vendor) has given us a preliminary quote to update the consoles, using the existing metal framework. 4 other vendors have given us full replacement quotes. This project was previously approved (2020) however prices have risen dramatically. Therefore this project modification represents the increased costs. In addition, we wish to move the backup console from the back room to the main floor for overflow, major incidents and training. Currently that 6th position has a radio screen, but uses a "soft-phone" for 9-1-1 that used to be in the CSR's office and does not have full function as the other primary answering phones do.

4) **Briefly, what are the consequences of delaying or not doing the project?**

Continued failures and expensive repairs. Each repair, whether elevating legs or control modules, is a few hundred dollars per part. If multiple consoles start failing, we could be looking at \$2,000 or more per year in upkeep. Also, with our call load and future enhancements being touted for the 9-1-1 system (video, pictures, telematics, cameras), having a 6th console for added staffing and tasks will be a necessity.

5) **Briefly describe project impact on the operating budget:**

Not having to spend money on repairs, but an additional \$18,000 per year for the added full 911 phone to the 911 Council. First year in pro-rated based on possible mid-year installation.

Requestor/Title/Department: Chad Gay/ Harvey County Sheriff/ Sheriff's Office

Project Description

1) Location: 800 N. Main St.

2) Scope of Work to be Performed:

Replace existing porcelain toilets with stainless steel toilets/sinks.

3) Project Need/Justification:

Existing porcelain toilets and sinks are original with the facility. Toilet/sinks either break or chip and have become a safety issue for staff and inmates.

4) Briefly, what are the consequences of delaying or not doing the project?

If a toilet or sink breaks, that cell is no longer in service which has an impact on the amount of inmates the detention center can house.

CIP Project: **Door Lock Replacement**

Requestor/Title/Department: Chad Gay/ Harvey County Sheriff/ Sheriff's Office

Project Description

1) Location: 800 N. Main St.

2) Scope of Work to be Performed:

Replace door locks and/or door positioning sensors for detention center doors.

3) Project Need/Justification:

The door locks and/or door positioning sensors in the detention center have been in service since the jail was constructed. Both the locks/sensors are electronic in nature and the cost to replace is significant. We currently have doors that show open when in fact they are closed. This creates alarms on the control panels and employees have to physically verify that the doors are secure.

4) Briefly, what are the consequences of delaying or not doing the project?

If we don't begin the process of fixing/replacing the door locks/sensors, this could lead to a failure of not being able to secure inmates. This puts the inmates/deputies at risk. Once the replacements have been made, routine maintenance on the locks/sensors is a must to maintain effective jail operations.

CIP Project: Double Oven Replacement for Detention Center

Requestor/Title/Department: Chad Gay/ Harvey County Sheriff/ Sheriff's Office

Project Description

1) **Location:** 800 N. Main St.

2) **Scope of Work to be Performed:**

Remove and replace existing double oven for the Detention Center kitchen.

3) **Project Need/Justification:**

The current double oven is the original oven that has been in service since 1997. It has met it's operating service life expectancy and is in need of replacement. It is utilized daily by our food service employees to prepare food for our inmate population.

4) **Briefly, what are the consequences of delaying or not doing the project?**

By not replacing this item, we run the risk of having to delay food preparation to inmates if some reason the oven were to fail.

5) **Briefly describe project impact on the operating budget:**

There is no significant impact on the operating budget anticipated.

CIP Project: Commercial Dishwasher Replacement for the Detention Center

Requestor/Title/Department: Chad Gay/ Harvey County Sheriff/ Sheriff's Office

Project Description

1) **Location:** 800 N. Main St.

2) **Scope of Work to be Performed:**

Remove and replace the existing commercial dishwasher in the Detection Center.

3) **Project Need/Justification:**

The current dishwasher in the Detention Center kitchen has met it's service life expectancy. I believe this also is an original piece of equipment from the construction of the jail. The wash cycle currently does not work and can not be repaired. We solely use the current dishwasher for the sanitation function only. All dishes are hand washed and run this the dishwasher for the sole purpose of sanitation.

4) **Briefly, what are the consequences of delaying or not doing the project?**

The Detention Center operates a commercial kitchen where cleanliness is paramount when serving food. Failure to replace this appliance could lead to not having the most sanitary cooking utensils when serving the inmates in our Detention Center.

5) **Briefly describe project impact on the operating budget:**

CIP Project: **Generator Replacement for the Detention Center**

Requestor/Title/Department: Chad Gay/ Harvey County Sheriff/ Sheriff's Office

Project Description

1) Location: 800 N. Main St.

2) Scope of Work to be Performed:

To remove and replace the existing generator at the Detention Center.

3) Project Need/Justification:

The current generator at the Detention Center is original to the building and has exceeded it's service life. We have had routine issues with this generator over the past several years. This project has been on our radar but the time has come to replace it.

4) Briefly, what are the consequences of delaying or not doing the project?

By delaying this project we run the risk of a generator failure when power is lost to the building. Since the Detention Center operates 24/7 we can not be without power. Most of our internal systems run off of electricity such as cell doors and HVAC. If a failure occurs, we would have to begin the process of moving inmates to other facilities in our region. That is a catastrophic failure we can not allow.

5) Briefly describe project impact on the operating budget:

CIP Project: Radio Enhancement for Detention Center/ Courthouse

Requestor/Title/Department: Chad Gay/ Harvey County Sheriff/ Sheriff's Office

Project Description

1) **Location:** 800 N. Main St.

2) **Scope of Work to be Performed:**

Enhance radio system within the Courthouse and Detention Center.

3) **Project Need/Justification:**

The current radio system that first responders use in Harvey County has been a great improvement. However we have found out that it does not function as it is intended within our own buildings. Both the Courthouse and Detention Center have areas where our portable radios do not transmit. This project would allow all first responder radios to function as they are designed in all areas of our campus.

4) **Briefly, what are the consequences of delaying or not doing the project?**

By not moving forward with this project, we run the risk of not being able to communicate during emergencies via our portable radios. This presents an Officer safety risk as well as a delay in getting potential life saving communication to first responders and our citizens.

5) **Briefly describe project impact on the operating budget:**

CIP Project: Steam Table Replacement for Detention Center

Requestor/Title/Department: Chad Gay/ Harvey County Sheriff/ Sheriff's Office

Project Description

1) **Location:** 800 N. Main St.

2) **Scope of Work to be Performed:**

Replace the existing steam table/ prep station in the Detention Center kitchen.

3) **Project Need/Justification:**

The steam table/ food prep station in the Detention Center kitchen is original to the building. It has exceeded its service life and currently operates at about 75%. This work station is the heart of the kitchen and is used daily. It has been operating at this level for several years with multiple repairs. As with everything in the Detention Center, it's age is beginning to show and more equipment is beginning to fail.

4) **Briefly, what are the consequences of delaying or not doing the project?**

Failure to move forward with this project only delays the inevitable. If this equipment fails, it delays meal operations for kitchen staff and could cause additional problems for both staff/ inmates.

5) **Briefly describe project impact on the operating budget:**

There is no significant impact on the operating budget anticipated.

CIP Project: Fire Suppression System Flush and Conversion

Requestor/Title/Department: Chad Gay/ Harvey County Sheriff/ Sheriff's Office

Project Description

1) **Location:** 800 N. Main St.

2) **Scope of Work to be Performed:**

To flush our existing fire suppression system in the Detention Center and then converting it from a dry system to a wet system.

3) **Project Need/Justification:**

The existing fire suppression system is original with the construction of the Detention Center. The corrosion inside the piping is limiting the amount of water that can be run through the pipes. A recommended flush of the system will help free up the debris inside the system giving it greater volume of suppression while activated. It is also recommend after the flush to convert the pre-action system from dry to wet.

4) **Briefly, what are the consequences of delaying or not doing the project?**

By not completing this project, we run the risk of inadequate fire suppression in the Detention Center should an activation occur.

5) **Briefly describe project impact on the operating budget:**

There is no significant impact on the operating budget anticipated.

CIP Project: Replace Detention Center AHU 5 AC Condensing Unit

Requestor/Title/Department: Chad Gay/ Harvey County Sheriff/ Sheriff's Office

Project Description

1) **Location:** 800 N. Main St.

2) **Scope of Work to be Performed:**

Remove and replace AHU 5 air conditioning unit in the detention center for a refrigerant leak. AHU 5 supplies air conditioning for the dayroom pods.

3) **Project Need/Justification:**

AHU 5 is an older ac unit and has developed a leak over the last few years. In speaking with Maintenance, the unit can still function but has reached it's end of life.

4) **Briefly, what are the consequences of delaying or not doing the project?**

By delaying this project, we run the risk of not being able to provide conditioned air to inmates which could lead to disruption of operations if we were to experience a prolonged heat wave.

5) **Briefly describe project impact on the operating budget:**

There is no significant impact on the operating budget anticipated.

CIP Project: Pine Street Building Remodel

Requestor/Title/Department: Anthony Swartzendruber/County Administrator/Administration

Project Description

1) **Location:** 215 S. Pine Street

2) **Scope of Work to be Performed:**

With the purchase of the Pine Street Building, this project is an estimate of the cost to update and remodel the facility, so that departments from the County Courthouse can be relocated to this facility. The project will likely include: new roof, new windows, new south parking lot, new phone system, a new generator, and a general remodel for each floor.

3) **Project Need/Justification:**

When the County purchased the building, it was known that a number of improvements would need to be made to make the facility suitable for departments moving from the Courthouse. The third floor and first floor both currently have space specifically for medical purposes, which will need to be converted to office space.

4) **Briefly, what are the consequences of delaying or not doing the project?**

If the project is not completed, space issues will continue to be a problem in the Courthouse.

5) **Briefly describe project impact on the operating budget:**

Some of the improvements listed could lead to a decrease in maintenance costs, and decreases in utility costs.

CIP Project: Courthouse Remodel

Requestor/Title/Department: Anthony Swartzendruber/County Administrator/Administration

Project Description

1) **Location:** 800 N. Main St.

2) **Scope of Work to be Performed:**

With the purchase of the Pine Street Building, this project is an estimate of the cost to remodel the Courthouse once departments from the County Courthouse can be relocated to the Pine Street building. The project will likely include remodel for each floor, a possible addition for a secured entrance, and updates to any plumbing/electrical that are still original to the building.

3) **Project Need/Justification:**

When the County purchased the Pine Street building, it was known that a number of improvements would need to be made to the Courthouse once departments were relocated to the Pine Street Building. With the expansion of the number of judges in the District Court, it is likely a fourth Courtroom will need to be added within the facility.

4) **Briefly, what are the consequences of delaying or not doing the project?**

If the project is not completed, space issues will continue to be a problem in the Courthouse.

5) **Briefly describe project impact on the operating budget:**

Some of the improvements listed could lead to a decrease in maintenance costs, and decreases in utility costs.

Liquor Tax. A tax on gross receipts from the sale of liquor at retail.

Appraised Value. Market dollar value given to real estate, utilities, and personal property; established through notification, hearing and appeals and certification process.

Appropriation. Expenditure authority approved by the governing body with specific limitations as to the amount.

Assessed Value. Appraised value of property adjusted downward by a classification factor, to determine the basis for distributing the tax burden to property owners.

Audit. A review of the county’s accounts by an independent accounting firm to substantiate year-end fund balances, reserves, and cash on hand.

Bond. A written promise to pay a specified sum of money, called the face value or principal amount, at a specified date or dates in the future, called the maturity date(s), together with periodic interest at a specified rate.

Budget. A financial plan of operation which includes an estimate of proposed revenues and expenditures for a fiscal year. A formal budget constitutes a legal spending limit for local governments in Kansas and provides a level of control for most government activities.

Budget Adoption. A formal process by which the budget is approved by the governing body.

Capital Expenditures. A capital expenditure is any significant physical acquisition, construction, replacement, or improvement to a County department or service. Capital projects cost over \$10,000 and have a useful lives of at least 5 years and are normally cash funded through the annual operating budget.

Debt Service. Principal and interest requirements on outstanding debt according to a predetermined payment schedule.

Delinquent Property Tax. Ad valorem property taxes collected from previous tax years.

Department. An organizational unit which is functionally unique in delivery of services. A department may contain one or more programs.

Division. A sub unit of a department that encompasses a substantial portion of the duties assigned to a department. May consist of several sections, which in turn may consist of clearly defined activities.

Enterprise Fund. Used for government functions that are self-supporting. Enterprise funds belong to the group of funds called "proprietary" and account for operations that provide services to the community at large.

Expenditure. Actual outlay of funds.

Expenditure Category. A grouping of similar expenditures. Expenditure categories found in the Harvey County budget system are listed below:

Personnel – expenditures for direct personnel compensation and employee benefits. Examples include Salaries & Wages, Overtime Pay, and Health and Life Insurance.

Contractuals – expenditures for goods and services received from outside sources by contractual agreement, including fees and utilities.

Commodities – expenditures for consumable goods purchased on a regular basis, or minor operating equipment.

Capital Outlay – expenditures related to the purchase of equipment and other fixed assets.

Interfund Transfers – expenditures for services provided by other County divisions and departments.

Fiscal Year. The 12-month budget period. The fiscal year for the Harvey County is the January through December calendar year.

Franchise Fees. Charges are set by the Board of Commissioners at an annual fee of 5% of the gross receipts on cable television companies located in the unincorporated areas of the county.

Full Time Equivalent (FTE). The amount of time a position has been budgeted for in terms of the amount of time a regular, full-time employee (1 FTE) is paid for 2,080 hours per year, while a .5 FTE would work 1,040 hours per year.

Fund. Accounting entity with accounts for recording revenues and expenditures to carry on specific purposes.

Fund Balance. Under the Kansas Municipal Auditing and Accounting guide, the total dollars remaining after current expenditures for operations and debt service for capital improvements are subtracted from the sum of the beginning fund balance and current resources.

General Fund. A fund which accounts for County services that are not otherwise specified. The General Fund includes most general government and law enforcement functions and receives the broadest variety of revenues of all funds.

General Fund Revenue. Most of the County's revenue sources are channeled through the General Fund. Such revenues are commonly generated by fees, charges, taxes, and intergovernmental functions.

General Obligation Bonds. Bonds for which the full faith and credit of the county is pledged for payment.

Grant. A monetary contribution by a government or an organization to financially support a particular function or purpose.

Governmental Fund: Accounts for revenue and expenditures relating to normal government activities, which are not accounted for in other funds.

Infrastructure. The basic installations and facilities on which the continuance and growth of the County depends, such as roads, bridges, drainage, water, and sewer systems.

Intergovernmental Revenue. Revenue received from other governmental agencies and municipalities, such as grants from the State or Federal government.

Investment Income. Interest earned on public tax funds being held until expended or distributed to other units of government in the county. Investments can only be made in instruments specified by state law and the county's investment policy.

Lease Purchase Agreement. Contractual agreements which are termed "leases," but which in substance amount to purchase contracts.

Levy. A compulsory collection of monies or the imposition of taxes.

Licenses and Permits. Revenues earned by the issuance of licenses or permits levied in accordance with the benefits conferred by the license or permit.

Line Item. The most detailed unit of budgetary expenditures listed in the Harvey County budgets. Line items are tracked by four-digit object codes with the first digit representing the expenditure category.

Maintenance. Expenditures made to keep an asset in proper condition or to keep an asset in working order to operate within its original capacity.

Management. Department Heads and Supervisors

Mill. The property tax rate which is based on the valuation of property. A tax rate of one mill produces one dollar of taxes on each \$1,000 of assessed property valuation.

Operating Budget. A budget that applies to all outlays other than capital improvements. This refers more to the day-to-day operations of the county.

Operating Revenue. Funds that the government receives as income to pay for ongoing operation. It includes such items as taxes, fees from specific services, interest earnings, and grant revenues. Operating revenues are used to pay for day-to-day services.

Other Revenue. Revenues from sources other than those specifically identified that are too immaterial in amount to justify the creation of a new revenue account line item.

Revenue. A source of income which finances governmental operations.

Revenue Category. A grouping of similar revenues. Revenue categories found in the Harvey County budget system are listed below:

Taxes – ad valorem, motor vehicle, and other taxes. Penalties assessed on back taxes are also included.
