Harvey County
Health Department

This directory was made possible from a grant of the Schowalter Foundation and the Harvey County Community Partnership. The directory contains listings of area social, health, support, educational and employment services in Harvey County, Kansas. The Harvey County Health Department does not assume responsibility for omissions nor for the accuracy of the information offered in this directory. Thanks to Ben Preheim and Green Leaf Design Elements for contributing the cover art.

The agencies and organizations are listed in alphabetical order in the directory, as shown in the Table of Contents. The index at the back of the directory includes service topics and a reference to the agency's name and page number.

The directory is also available online at the Harvey County webpage: www.harveycounty.com. The online edition will reflect updates since the publication of this booklet. If you have changes you would like to see made, please contact lredington@harveycounty.com.
